NEW BUSINESS
Faculty Senate Executive Committee asked Undergraduate Council to address an issue from the Faculty/Staff Relations of the Athletics Board regarding the academic continuation policy. UT Martin's academic continuation policy is very straightforward but different from that of the NCAA. Because of the differences in policies between UT Martin and the NCAA, UT Martin has lost APR eligibility points. Discussion focused on the need for a revised academic continuation policy for all students that would maintain UT Martin standards without jeopardizing APR points for our student athletes. Use of an academic warning semester could be a possible resolution of the issue. Motion carried to form a subcommittee to submit a proposal for a revised academic continuation policy. Volunteers for the subcommittee are Darroch (chair), Brown, Hillsman, and Whitlow. Gullett will also work with the subcommittee. Policies at THEC peer institutions and Tennessee four-year schools will be reviewed.
