## Degree Programs

The university offers 16 undergraduate degrees that can be completed in four years with full-time enrollment and more than 80 specialized programs in support of those degrees. Most of these degrees and supporting programs are offered by a specific college or department. They are described in the succeeding sections of the catalog devoted to each college and its departments. There are three degrees, however, that are university-wide in nature. They are the Bachelor of Arts (B.A.), Bachelor of Science (B.S.), and Bachelor of University Studies (B.U.S.). The requirements for these degrees follow. The following subject areas are available as majors or minors in support of the B.A. and/or B.S. degrees.
