

Undergraduate Degrees and Specialized Programs

Chemistry 121-122
 Geology 111, 113
 Physics 211-212 or Physics 220-221

V. *Social Science Requirement*

Outside of major complete one sequence and one additional course in a different area
 (one course must come from Political Science 210, Psychology 120, or Sociology 201):

Anthropology 101-201
 Economics 201-202
 Geography (Regional) 151-152
 Geography (Physical and Cultural) 201-202
 History (U.S.) 201-202
 Honors 112
 Political Science (American Government) 210-220
 Psychology 110-120 (or equivalent honors courses)
 Sociology 201-202

VI. *Mathematical Reasoning Requirement*

Complete one math course at Mathematics 100 level or higher and Computer Science 201

Bachelor of Science General Education Requirements

Graduation Requirements

Minimum credits required for graduation	130
Minimum credits in upper-division courses	45
Maximum credits in any one subject counted toward graduation.....	50
Complete requirements for a major (see “Major” section which follows)	

Note: Certain majors may require students to complete a minor (see “Minor” section which follows)

General Requirements

I. *Communication Requirement*

- A. English 111-112 (or equivalent honors courses)
- B. Communications 230

II. *Foreign Language Requirement*

Bachelor of Science students fulfill the foreign language requirement by completing a foreign language course numbered 122 or higher, unless they are taking the same language that was used to fulfill an entrance deficiency, in which case the sequence 122-222 in that language is required. International students and resident aliens for whom it is determined that English is a second language may satisfy the requirement either as stated above or by taking an English course at the 200 level or higher and passing with a grade of C or better. (See “Satisfying the B.A. and B.S. Foreign Language Requirement.”)

III. *Humanities Requirement*

- A. Completion of one sequence from each of two disciplines:
English 250-251, or 260-261, or 270-271
History 121-122 or 201-202 (or equivalent honors courses)
Honors 111-112*
Philosophy 110-120
- B. Complete Philosophy 160 and one course selected from:
Art 110
Music 111 or 112

IV. *Laboratory Science Requirement*

- Completion of two of the following sequences outside the major:
Astronomy 201-202
Biology 110-120
Chemistry 121-122
Geology 111, 113
Physics 211-212 or Physics 220-221

V. *Social Science Requirement*

- Completion of two of the following sequences outside the major (one chosen from Political Science, Psychology, or Sociology):
Anthropology 101-201
Economics 201-202
Geography 151-152 or 201-202
Honors 111-112*
Political Science (American Government) 210-220
Psychology 110-120 (or equivalent honors courses)
Sociology 201 and 202 or 208

VI. *Mathematics Requirement*

- Completion of Mathematics 185-Precalculus or any two of the following courses:
Mathematics 140
Mathematics 160 or 251
Mathematics 210
Mathematics 241
Mathematics 252

VII. *Computer Science 201*

*Honors 111-112 can be used to satisfy either the Humanities A or Social Science requirement, but not both.

Satisfying the B.A. and B.S. Foreign Language Requirement

The foreign language requirement for the degree of Bachelor of Arts is satisfied by completion of 222 or the equivalent. International students and resident aliens for whom it is determined that English is a second language may satisfy the requirement either as stated above or by taking an English course at the 200 level or above and passing with a grade of C or better.

Bachelor of Science students fulfill the foreign language requirement by completing a foreign language course numbered 122 or higher, unless they are taking the same language that was used to fulfill an entrance deficiency, in which case the sequence 122-222 in that language is required. International students and resident aliens for whom it is determined that English is a second language may satisfy the requirement either as stated above or by taking an English course at the 200 level or higher and passing with a grade of C or better.

Major Requirements for B.A. and B.S.

Each student in a Bachelor of Arts or Bachelor of Science degree program must complete a major program of study consisting of not less than 18 semester hours of upper-division courses (up to six hours of these courses may be replaced by lower-division work in certain departments). A minimum grade of C (2.00) must be made in every course offered for the major, exclusive of lower-division prerequisites. Required and elective courses taken for pass/fail (P/F) where a P is recorded will count as satisfying the minimum-grade requirement. Transfer students must earn at least six hours in the major while in residence at The University of Tennessee at Martin. Requirements for the major are specified by the individual departments. Certain majors may also require a student to complete a minor program of study. (See individual departmental listings.)

For information on preparation for **legal study** or **pre-theological study**, see the Department of History and Philosophy section. For information on **pre-professional curricula** in the health sciences, see the College of Engineering and Natural Sciences section.

Minor Requirements for B.A. and B.S.

A minor in support of the B.A. or B.S. degree consists of not less than 12 hours of upper-division courses in a subject outside the major. Up to six hours of these courses may be replaced by lower-division work in certain departments. For requirements for minors other than those listed below, see the individual departmental listings.

A second major can be completed in lieu of a required minor.

The **African-American Studies Minor** consists of the following courses: Philosophy 130, Philosophy 440 and 12 hours selected from Sociology 304, Political Science 432, Social Work 220, English 345, History 303, History 434, History 435, History 495, Philosophy 301 and Psychology 312.

The **Women's Studies Minor** consists of Interdisciplinary Studies 201 plus 15 hours selected from the following courses (excluding any courses used to satisfy general education or major field requirements): Anthropology/Sociology 341, Anthropology/Sociology 495, Art History 350, Child and Family Studies 100, Child & Family Studies 303, Communications 231, English 350, English 495 (when topic offered is on women's literature and issues), History 303, History 480 (when topic offered is on gender issues in history), Psychology 370, Sociology 208, Social Work 220, Textiles, Clothing and Fashion

Merchandising 300. No more than six hours may be taken in a particular discipline, and a student must complete at least 12 hours of upper-division credits from these courses.

Bachelor of University Studies (0100)

The Bachelor of University Studies (B.U.S.) is an individualized degree program. Created to meet the needs of working adults and others whose educational objectives are unmet by the traditional degree programs, the B.U.S. is a self-designed general studies degree in which students choose those academic courses which best meet their career goals. There are no specific course requirements beyond 38 hours in “core” courses, and students may receive up to 30 hours of academic credit for previous non-college learning experiences. The B.U.S. is a full, four-year baccalaureate degree that complies with all university requirements.

The student interested in the B.U.S. option prepares an individualized degree program in consultation with a faculty adviser whose educational and professional background is related to the student’s programmatic goal. The entire program must be approved in writing by the Vice Chancellor for Academic Affairs (or designate). Copies must be filed with the university registrar, the vice chancellor’s designate, the faculty adviser, and the student prior to accumulation of 95 earned hours toward the degree. It then becomes the student’s official Program of Study. Any modification to the student’s program must be approved by the Online and University Studies Council.

Graduation Requirements

Credits required for graduation	130
Minimum credits in upper-division courses	36
Minimum credits at UT Martin	33

Specific Curricular Requirements

I. General Education (38)

- A. Aesthetics (3)
- B. Biological and Physical Systems (8)
- C. Communications and Computer Literacy (12)
- D. Ethical Awareness (3)
Philosophy 160
- E. Global Dynamics (3)
- F. Mathematics (3)
- G. Social Dynamics (3)
- H. Elective (3)

Choose from any of the courses listed in Aesthetics, Biological and Physical Systems, Global Dynamics, Mathematics, or Social Dynamics.

II. Individual Degree Concentration (42-54)

This portion of the student’s program provides for the in-depth examination of some area of study. In traditional terms, it would comprise the courses of the major and the minor or the courses of the major plus an integrated cluster of related and supportive courses. The Individualized Degree Concentration will include no fewer than 42 semester hours and no
