Admission Procedures and Requirements

General Requirements

Anyone with a bachelor's degree wishing to take courses for graduate credit, whether or not he/she wishes to become a candidate for a degree, must make formal application for admission to graduate study. Admission to graduate study does not make a student a candidate for a graduate degree. Only persons who have received a letter of admission from the Dean of Graduate Studies may enroll in graduate courses. An applicant may be admitted at the beginning of any semester. Application deadline for each semester is two weeks prior to the first day of class. All documents used for admission purposes become the property of The University of Tennessee at Martin and will not be returned. Students have the right to review their individual files.

Admission requirements for the M.S. in Agricultural Operations Management; M.S. in Family and Consumer Sciences; M.Ac., M.B.A., and Dual M.Ac./M.B.A. in Business; and M.S. in Education can be found on the following pages.

Re-Enrollment

Students who were previously enrolled as graduate students at UT Martin but have not been enrolled for one semester (excluding summer), must submit an updated application form in order to reactivate their files.
