

Fees and Expenses, Financial Assistance, and Scholarships

THE UNIVERSITY OF TENNESSEE AT MARTIN

Financial Information

Fees and tuition are established in June by the Board of Trustees in conjunction with legislative action which determines the annual appropriation to the institution. Any changes from the fees and expenses detailed here will be available prior to registration for the semester to which they apply. The general fees in effect for 2006-2007, are as follows, and are subject to change.

Fees and Expenses*

Maintenance Fee (In-state Fee) – Undergraduate Fee Per Semester	\$1,958
Programs & Services Fee – Undergraduate Fee Per Semester	\$241
Technology Fee – Undergraduate Fee Per Semester	\$100
Facility Fee – Undergraduate Fee Per Semester	\$25
Yearbook Fee	\$17
(Additional Charges For Out-of-State Students) Per Semester	\$4,736

(See “Residency Regulations” in the section, Undergraduate Admission Procedures and Requirements.)

*All fees and expenses listed are current as of Academic Year 2006-07. Check the Web at www.utm.edu for revisions to fees and expenses.

Part-Time Student. Any regular student who is permitted to carry fewer than 12 academic hours including developmental courses becomes a part-time student.

Optional Hourly Rate

In lieu of the above charges for Maintenance Fee (In-state Fee), Programs and Facilities Fee, and Technology Fee (and tuition for out-of-state students), part-time students may elect to pay fees computed by the semester hour credit (or audit) as follows:

Maintenance Fee (In-state Fee)	\$164.00 per semester hour or fraction thereof;	minimum charge \$164.00
Programs & Services Fee.....	\$21.00 per semester hour or fraction thereof;	minimum charge \$21.00
Technology Fee	\$9.00 per semester hour or fraction thereof;	minimum charge \$9.00
Facility Fee	\$3.00 per semester hour or fraction thereof;	minimum charge \$3.00
Out-of-State	\$394.00 per semester hour or fraction thereof;	minimum charge \$394.00

Music Fee (For Individual Instruction in Music)

Per Semester:	
One-half hour lesson weekly	\$80
One hour lesson weekly	\$150

Undergraduate Application Fee

Each initial application for admission must be accompanied by a fee of \$25 before it will be processed. This fee is not refundable.

Cooperative Education Registration Fee Hourly Rate

Audit Fee

Fees for courses being audited are the same as those taken for credit, except for persons 60 years old or older, who may be allowed to audit courses without charge. (See section on “Auditors.”)

Late Registration Service Fee

Students who do not complete their payments on the regular registration days set aside for that purpose will be assessed the late registration fee. Such a charge also applies to late payment of other charges past due. This fee is not refundable.

Delayed Payment Policy and Fee.....\$25

Although fees, rent, and other university expenses are due and payable at the beginning of each semester (prior to the next semester if the student has advance registered), eligible students may request a deferment of fees. Current maintenance fee (in-state fee), tuition out-of-state, programs and services, facility, technology, yearbook, residence hall rent, and meal plan fees are the only charges that can be deferred. After applying all types of financial aid, up to one-half of the remaining balance of these charges may be deferred.

The student must pay all charges from prior terms. Current financial aid funds may NOT be used to pay any of these prior charges.

Accounts due the university in addition to fees, rent, etc., may be paid at registration time. Students are responsible for advising assessors at the time of registration of any charges levied in error and of any omissions such as residence hall rent. Failure to notify the assessor and make payment constitutes a delayed payment subject to the service fee.

For spring and fall semesters, the deferred charge is due no later than 45 days after the start of classes. The service charge for a deferment is \$25 and is not refundable.

Since summer school is shorter than fall or spring, it is divided into two sessions. Therefore, the deferred charge is due no later than June 20. The service charge for deferment is \$10 for students attending one session only and \$20 for students attending both sessions. The service charge for summer deferment is not refundable. In order to qualify for summer deferments, students must set up the deferment with the Business Office by May 1.

Monthly Payment of Room Charges\$10

Semester residence hall rent may be paid in four monthly installments as follows: The \$10 service fee, a \$100 deposit, and the first of four monthly installments must be paid at registration. The second, third, and fourth payments will be due and payable at four-week intervals with the fourth payment due and payable no later than the last day of classes. A \$25 late payment charge will be assessed on each monthly installment which is not paid on or before the due date for that installment. Further details are available upon request from the Office of Business Affairs.

Monthly Payment of Food Meal Plan or Declining Balance Plan

Monthly payment options are available for this program with guidelines similar to those for monthly payments of room charges. Further details are available upon request from the Office of Business Affairs.

Student Identification CardNo Charge

Each student at his/her first registration is issued a plastic identification card. The student is expected to retain this ID card during his/her entire enrollment at UT Martin and to have it with him/her at all times for purposes of identification. The card is property of the university and may be reclaimed if used by any person other than the one whose signature it bears. The card is acceptable only when validated for the current semester.

Lost ID Card Replacement\$15

Loss of an ID card should be reported promptly to the Skyhawk Card Office. Upon payment of this charge, a replacement may be obtained from the university.

Diploma FeeNo Charge
 The student is not charged for the first copy of his/her diploma. Additional copies are \$15 plus a mailing fee per copy, including diplomas which must be relettered.

Telephone Service

Telephone connections are in each residence hall room. Charges for basic telephone service are included in the residence hall fee. Long-distance telephone service is available upon application each semester in 212 Boling University Center. Students must provide their own telephone instruments in residence halls.

Telephone Damage ChargeVariable
 Students will be assessed charges according to posted rates for damages to their telephone instrument if other than normal wear and tear. Instruments are not provided in McCord and Ellington dormitories.

Refunds

Refunds – Excess Financial Aid (loans, scholarships, Vocational Rehab, any other awards)
 When a student’s total financial aid exceeds total charges, the excess will be disbursed to the student. The excess aid amount is calculated based on money received, not money expected.

Refunds – Dropping Hours (Continue with a reduced class load)
 When a student decreases the number of hours attempted during a term, charges for these hours will be calculated based upon the official drop day as presented to Business Affairs from the Office of Academic Records. Charges for the dropped hours will be calculated as follows:

Day 1-7	no charge
Day 8-14	20%
Day 15-21	40%
Day 22-28	60%
Day 29-end of term	100%

Refunds are based on the fees charged, not the amount paid. If the student is receiving financial aid, refunds will be returned to the financial aid accounts, including lenders of student loans, before any money is returned to the student. Credit balances from all sources of the university, with the possible exception of Title IV funds, will be applied to outstanding charges before a refund is issued.

Refunds – Financial Aid Recipients

Financial aid recipients must successfully complete two-thirds of their attempted hours in order to maintain satisfactory academic progress toward their degree. Students who do not successfully complete two-thirds of their attempted hours may request an appeal to have their financial aid reinstated. UT Martin’s full satisfactory academic progress policy as well as the appeal form can be located on the Web at www.utm.edu/admin/finaid.

Refunds – Withdrawing (Drop all classes)

Withdrawals from school for any reason during any term must be made by official notification to the Division of Student Affairs. Failure to attend classes does not cancel enrollment. The date of the withdrawal is one factor used to determine the amount of fees to be refunded. Other factors include whether a student is a first-time student on this campus, whether a student is receiving Title IV financial aid, and whether unpaid charges (total institutional costs minus the sum of total aid paid to institutional costs and cash paid by the student) remain on the student’s account. The institutional refund policy will

be used for students who do not receive Title IV financial aid. The following percentages will be used to calculate charges on hours dropped (tuition, fees, and room):

Calendar days following Registration Day	% Charged
Day 1-7	no charge
Day 8-14	20%
Day 15-21	40%
Day 22-28	60%
Day 29-end of term	100%

Refunds are based on the fees charged, not the amount paid. If the student is receiving financial aid, refunds will be returned to the financial aid accounts, including lenders of student loans, before any money is returned to the student. Credit balances from all sources of the university, with the possible exception of Title IV funds, will be applied to outstanding charges before a refund is issued.

Summer school term is shorter than fall and spring and the summer term is divided into sessions. Therefore, charges for hours dropped (or withdrawals) will be calculated on the following basis:

	1st Session	2nd Session	Full Term	% Charged
Day	1-4	1-4	1-7	no charge
Day	5-7	5-7	8-14	20%
Day	8-11	8-11	15-21	40%
Day	12-14	12-14	22-28	60%
Day	14- end of term	14- end of term	29- end of term	100%

No refunds will be made until two weeks after the close of registration during the regular school year and two weeks after the close of second session summer semester registration.

Example:

The student’s institutional charges for the semester total \$2,238, which was paid by a personal check. The student withdrew on the ninth calendar day following regular registration. The refund would be \$1,784.40.

Calculation: $12 \text{ hours} \times 20\% \times \$189 = \$453.60$
 $\$2,238 - 453.60 = \$1,784.40$

The federal refund calculation policy will be used for students who have attended classes at UT Martin and are receiving Title IV financial aid. Under this refund policy, withdrawals on the first day of classes will permit a 100% refund of institutional charges (fees, tuition, room and board, with no allowance for deposit or consumption on room and board). Withdrawals after the first day of classes will be calculated based on the number of days the student completes in the enrollment period.

Example:

The student has enrolled at UT Martin and is receiving a federal Pell Grant of \$1,170. The institutional charges are \$2,238. The student withdrew on the 11th day of the enrollment period. The enrollment period is 117 days in length ($11/117=9.4\%$ completed days). The refund percent will be 90.6% ($100\%-9.4\%$). Therefore, $\$2,238 \times 90.6\% = \$2,027.62$ will be returned to the federal Pell account.

All students must settle accounts with the Office of Business Affairs and complete the registration for courses before attending classes. A confirmation of enrollment is required to complete the registration procedure. This applies to anyone whose fees may be billed, prepaid, or waived. All charges are subject

to subsequent audit. Errors will be corrected by refund or additional charge. Personal checks (see “Bad Check Charges”), Master Card, Visa, and Discover credit cards are accepted only for the amount owed. (Discover cards are only accepted on campus by the Office of Business Affairs.) Banks now require that their own printed checks with identifying account numbers be used.

The university is authorized by statute to withhold diplomas, grades, transcripts, and registration privileges from any student until debts and obligations owed to the university are satisfied. This does not include student loans being repaid in accordance with the repayment agreements.

Any question regarding a student’s financial account due the university should be directed to the bursar in the Office of Business Affairs. In the event a student does not feel that the amount in question is correct, he/she may appeal the matter to university officials in the following order: (1) director of business affairs, (2) vice chancellor for finance and administration, and (3) chancellor. As circumstances warrant, other officials may be contacted for assistance and information.

Financial Aid Repayment — Withdrawals

Any financial aid recipient who withdraws from the university prior to completing 60% of the term may have to repay to the appropriate financial aid account(s) a portion of financial aid funds received.

Bad Check Charges (not refundable)

All returned checks.....\$30

The charge applies to all checks returned to the university by the appropriate bank for insufficient funds, stop payments, or other legitimate reasons. The writer of the check will be notified immediately at the address that appears on the check. Failure to respond within fifteen days of the notice will result in withdrawal from school. If withdrawal occurs, the appropriate refund percentage will be used to determine the balance due on fees for that term. Returned checks must be picked up with cash or a money order. Students with more than one returned check per school year will be required to pay fees and university accounts with cash or a money order for the balance of that school year. Students with more than two returned checks in consecutive school years will be required to pay fees and university accounts with cash or a money order for the balance of their enrollment.

Student Financial Assistance

The University of Tennessee at Martin offers financial assistance to students based on need and academic achievement. To determine student need, the university utilizes the Free Application for Federal Student Aid (FAFSA), which takes into consideration certain factors relating to family financial status.

Three basic types of financial aid are made available by the university: (1) scholarships/grants, (2) loans, and (3) part-time employment. Some funds for grants and loans are provided through programs sponsored by the federal and state governments. To receive federal and/or state financial assistance, students must achieve academic standards consistent with the university’s academic continuation policy. If a student is academically suspended and does not attend the university the following semester (summer semester excluded), or does not bring the cumulative GPA up to 2.00 after attending another college, he/she must attend full-time for one semester without federal or state aid before he/she may be eligible for additional financial assistance from federal or state sources.

Application for financial assistance, except for Army ROTC Scholarships, should be made by March 1 preceding the academic year in which the student plans to enter, by completing an Application for Admission and a FAFSA. The FAFSA may be obtained from Tennessee high school counselors or by

request from the Office of Student Financial Assistance. Students may also apply online at www.fafsa.ed.gov. The school code for UT Martin is 003531. To receive priority consideration for the coming year, the FAFSA should be processed by March 1.

To receive financial aid from the federal financial aid programs, a student must be enrolled as a regular student, must be working toward a degree or certificate, and not have attempted in excess of 150 percent of hours earned. The Federal Pell Grant and Federal Supplemental Educational Opportunity Grant (FSEOG) programs are reserved for undergraduate students seeking their first bachelor degree. Students who have completed undergraduate degree requirements must not accept Pell Grant and/or FSEOG funds. Failure to begin attendance in one or more classes may cause a reduction in financial aid. Students who have completed the requirements for a bachelor's degree are no longer eligible to receive federal or state grants.

Scholarships

High scholastic achievement in most instances is the primary basis for awarding scholarships. However, factors such as need, character and leadership ability are also given consideration by the Committee on Scholarships. Scholarships are available in most major areas of study but some are restricted to certain localities, others to certain curricula. Scholarships vary in amounts ranging up to \$5,000. One-half of the amount is paid each semester at registration.

Honors Programs Scholarships

University Scholars – Minimum 28 ACT and 3.5 GPA for consideration; \$5,000 award per year; 15 students selected each year for participation (see the section on UT Martin's Honors Programs in this catalog); must apply by February 1.

Chancellor's Award – \$3,000 per year to students with minimum 28 ACT and 3.5 GPA; must apply by February 1.

Merit Awards

Deans Scholarship – Minimum 25 ACT and 3.5 GPA; \$1,500 scholarship per year if student maintains a 3.0 GPA; must apply by February 1.

Students awarded the Deans Scholarship have the option of participating in the Honors Seminar Program but are not required to do so. For more information about the Honors Seminar Program, please refer to the Honors Programs section of this catalog.

Harold Conner African-American Scholarship – Consideration is given to students with a minimum 21 ACT composite and a minimum 3.25 high school grade point average. Recipients can receive \$3,000 per year for four years if continuation requirements are met. Recipients must be African-American students who reside in Tennessee.

Salutatorian Award – This is a \$1,000 freshman year award. Recipients are not required to live on campus or participate in the Leaders Program.

Army ROTC Scholarships – The United States Army offers financial assistance in the form of four-, three-, and two-year scholarships to qualified men and women on a merit basis. Each scholarship pays full tuition, books (up to \$900), related mandatory academic expenses, and a tiered allowance from \$300-500 per month during spring and fall semesters. To qualify, the student must:

1. Complete all requirements for a commission and a college degree and be under 30 years of age on June 30 of the year in which they become eligible for commissioning.
2. Meet and maintain the required medical standards and height and weight requirements of Army Regulation 40-501.
3. Agree to complete the requirements for a commission, to accept either a Regular Army or Reserve commission, and to serve on Army active duty, in the Army Reserve or in the Army National Guard, for a period specified.
4. Be continually enrolled for 45 days after the academic start date of the fall semester at UT Martin and take and pass the Army Physical Fitness Test (APFT), in accordance with Army Field Manual 21-20.

UT Martin provides free residence hall rooms, as available, for all Army ROTC three- and two-year scholarship winners. Assignment of rooms is recommended by the professor of military science.

Application for the four-year scholarship must be submitted by November 15 to ensure full consideration. ROTC scholarship winners are awarded room scholarships by UT Martin. Winners must maintain a CGPA of 2.0 on campus, an ROTC GPA of 3.0, and remain enrolled in ROTC. All application forms may be obtained by writing, or visiting, the professor of military science at The University of Tennessee at Martin, Martin, Tennessee 38238, phone 731-881-7682, or applicants may write directly to Army ROTC Scholarship, Fort Monroe, Va. 23651.

Veterans may be eligible to compete for ROTC scholarships and, if eligible, may also receive any VA benefits to which they would normally be entitled. Veterans who return to active duty as officers may count their prior active duty enlisted time toward longevity pay and retirement.

Students who attend the Leader's Training Course of the Two-Year Program may compete for two-year scholarships before camp.

Four-year scholarships are awarded to students who will be entering college as freshmen. Three- and two-year scholarships are awarded to students already enrolled in college. Applications for the two- and three-year scholarships are submitted year-round. Students enrolled in an advanced education program beyond the baccalaureate degree may also apply, providing the applicant is a full-time student with a minimum of two years remaining before advance-degree completion and meets the age requirement. Additionally the Department of Military Science and Leadership annually awards three \$200 Weems, one-year scholarships. The Col. Tom Elam ROTC Alumni endowment scholarship is awarded annually by recommendation of the ROTC Alumni Associates. The Elam scholarship is a one-year scholarship with the amount varying over \$750. JROTC Battalion Commanders and four selected freshmen entering ROTC are eligible for UT Martin's Leaders-in-Residence \$1,000 scholarships. Dedicated National Guard, or Army Reserve, scholarships of full tuition, fees, and \$900 towards books are available for qualified guard or reserve members.

Leadership Awards

Leaders-in-Residence – Presidents of student councils, Honor Society and Beta Club presidents, and/or state officers in any student organization are eligible for \$1,000. Recipients participate in a special leadership development program and may apply for residence hall staff positions worth approximately \$6,000 per year. A student must have a minimum of 20 ACT and 3.00 GPA and live in the residence hall.

Hugh O'Brien Youth Leadership (HOBY) – Students who participate in HOBY may be considered for a \$1,000 leadership award. Recipients participate in a special leadership development program and must be regularly admitted students and live in the residence halls.

Girl Scout Gold Award – Recipients of the Gold Award may be eligible for an \$800-per-year scholarship if they have a 21 ACT and a 3.0 GPA. Recipients must live in residence halls.

The University of Tennessee National Alumni Association

Andrew D. Holt Scholarship – \$5,000 per year

National Merit Scholarship – \$1,000 to \$2,000 per year

Alumni Valedictorian Scholarship – \$1,000 per year for one year

Alumni Chapter Scholarship – \$1,000 per year for one year

Grants

Federal PELL Grant (PELL) – The Federal Pell Grant Program is available to undergraduate students seeking their first bachelor’s degree. The grants are based on a federal formula which measures the ability of the students and his/her family to meet educational expenses. The form used to determine eligibility for all aid programs is the FAFSA. The FAFSA can be obtained from the high school guidance counselor, the UT Martin Office of Student Financial Assistance or online at fafsa.ed.gov. Students are encouraged to apply online. Grants may range up to \$4,050.

Tennessee Student Assistance Award Program (TSAA) – A Tennessee Student Assistance Award is a non-repayable grant to assist undergraduate students in financing a postsecondary education. Any Tennessee resident who is enrolled or who has been accepted for admission as an undergraduate student by an eligible Tennessee college or university and can establish that he/she needs financial assistance in order to complete his/her education is eligible to apply. Assistance awards range from a minimum of \$402 to a maximum of \$1,986, dependent upon the need of the student. In no case, however, may an award be greater than the amount of tuition and mandatory fees. The number of students assisted is dependent upon the amount of funds appropriated annually by the Tennessee General Assembly. Application for a Tennessee Student Assistance Award grant is made by completing the FAFSA, listing Tennessee for state residency and listing a Tennessee college or university as a school choice.

Federal Supplemental Educational Opportunity Grant Program (SEOG) – This program of direct gift awards is available to entering freshmen, transfer, and enrolled undergraduate students with exceptional financial need. Priority is given to Pell eligible students.

The amount of financial assistance a student may receive is determined by the criteria established in the Federal Supplemental Educational Opportunity Grant Program. Basically, these criteria take into account the gross income of the student’s parents and the number of children dependent upon this income in relation to the cost of attending the university. Students who apply for financial aid through the FAFSA are automatically evaluated for a Supplemental Educational Opportunity Grant. Funds are limited each year and will be available based on the March 1 priority date.

Loans

Federal Perkins Loan Program – The Perkins Loan is available to students who meet the qualifications of academic achievement and proven financial need. Need is the major factor in determining the amount of financial aid after academic qualifications have been established. Each student is expected to make a reasonable contribution toward the cost of his/her education, and his/her parents are expected to contribute in proportion to their resources before assistance can be extended by the university. Funds are limited each year. Students who apply for Financial Aid through the FAFSA, and meet the March 1 priority date, will be considered for a Perkins Loan.

An eligible undergraduate student may borrow up to a maximum of \$4,000 each academic year and up to a maximum total loan of \$20,000 in undergraduate school. Interest on Perkins Loans is five percent annually on the unpaid balance, beginning nine months after graduation or withdrawal from school. The maximum repayment period is 10 years.

Repayment may be deferred while the borrower is enrolled as at least a half-time student at an accredited institution of higher learning or for a period of three years if he/she is serving as a member of the Armed Forces of the United States, Peace Corps or Vista. Borrowers who teach full time after graduation in a school designated as having a high concentration of students from low-income families, or who teach the handicapped, may apply for partial cancellation of their loan for each year of teaching service.

Federal Family Educational Loan Program – The Tennessee Student Assistance Corporation, through participation agreements with banks and other lending institutions, offers long-term student educational loans to students and parents to assist with meeting educational expenses.

Students are eligible to borrow under the Federal Stafford Loan Program. There are two types of Federal Stafford loans, the Subsidized Stafford loan and the Unsubsidized Stafford loan. With the Subsidized Stafford Loan the interest is paid by the federal government while the student is enrolled at least half-time. With the Unsubsidized Stafford loan the student is responsible for paying the interest while enrolled in school. Students have the option to allow the interest to accrue; however, at the end of the year the interest is rolled into the principle of the loan. For both loans, repayment begins six months after graduation, withdrawal, or when the student is no longer enrolled at least half-time.

To determine eligibility, a student must apply for financial aid through the FAFSA and be admitted to or enrolled at least half-time as a degree seeking student in good standing at the university.

Parents are eligible to borrow for dependent undergraduate students under the Federal PLUS program. The Federal PLUS Loan is available to help parents meet the cost of their student's college education. These loans are made to parents of full or half-time dependent undergraduate students. Parents may borrow up to the full cost of the student's education for expenses including tuition and fees, room and board, books and supplies, transportation and living allowance, less any other financial aid the student receives. Repayment typically begins 60 days after the loan is fully disbursed and is paid in full within ten to twenty-five years.

Graduate students are eligible to borrow a Federal GradPLUS loan to assist with meeting educational expenses. The student must be enrolled at least half-time and be seeking a degree. Interest accrues while the student is in school; however, the principle can be deferred until graduation, withdrawal, or when the student is no longer enrolled at least half-time. Students must complete the FAFSA to be considered for this program.

Federal Unsubsidized Stafford Loans – This program offers an alternative to those students who have no eligibility, or only partial eligibility for the regular Stafford Loan. The major difference is that, with the Unsubsidized Stafford, the student is responsible for the accrued interest. This interest will usually be capitalized (added to the amount borrowed until repayment begins after graduation), but may be paid monthly or quarterly while the student is enrolled.

Federal Work-Study Program – The university participates in the Federal Work-Study Program, a federal government project to make part-time employment opportunities available to students. To be eligible, a student must be accepted for full-time enrollment or be in good standing if currently enrolled, must be making satisfactory academic progress, and prove financial need as a result of completing the FAFSA. The Office of Student Financial Assistance recommends that students not work more than 20 hours per week while attending classes. Students are required to successfully interview for positions posted through student employment. Payroll periods are biweekly and students are paid through direct deposit. In addition to providing financial assistance, the work-study program is designed to help the student develop a sense of responsibility and accomplishment as well as certain mechanical skills.
