

**Admission Requirements for the Master of Science in Agriculture and
Natural Resources Systems Management (MSANR)
Department of Agriculture, Geosciences and Natural Resources**

Applicants may be admitted as degree seeking (Unconditional, Conditional, or unclassified) or non-degree as listed below. Degree-seeking applicants must meet the university requirements listed in the Graduate Catalog under "Types of Admission". For complete information on admission procedures and requirements for graduate students, students should refer to pages 448 of the 2009 – 2010 UTM University Catalog, or online at: <http://catalog.utm.edu/>

A General Graduate Record Exam (GRE) combined score of at least 950 (verbal plus quantitative) is required for unconditional admission. A minimum General GRE combined score (verbal plus quantitative) of 750 and other requirements (detailed below) may qualify a student for conditional admission.

Additional requirements for unconditional and conditional admission are as follows:

A. Unconditional Admission

1. Cumulative GPA of at least 2.75 **and**
2. GRE score (Verbal plus Quantitative) of at least 950 **and**
3. Applicant must have earned a B.S. degree in agriculture, natural resources management, park and recreation administration, or wildlife science from a regionally accredited institution.

B. Conditional Admission

1. Cumulative GPA of at least 2.50 or Senior Year GPA of at least 3.00, **and**
2. GRE score (Verbal plus Quantitative) of at least 750 (950 if exempted from the university's minimum GPA requirement), **and**
3. Minimum formula points as shown below:
400 times applicant's Cumulative GPA plus GRE must equal or exceed 1,950 **or**
400 times applicant's Senior Year GPA plus GRE must equal or exceed 1,950
4. Have earned a B.S. degree in agriculture, natural resources management, park and recreation administration, or wildlife science from a regionally accredited institution **or**
5. Have a B.S. degree in a closely related applied or natural science (as determined by the MSANR Graduate Coordinator) and have a satisfactory score on the appropriate Department of Agriculture and Natural Resources senior exit exam as determined by the MSANR Graduate Coordinator.

C. Unclassified or Non-Degree Admission

Applicants who do not meet requirements for either **unconditional** or **conditional** admission may be eligible for **unclassified** or **non-degree** admission. See section on "Types of Admission" in the Graduate Catalog under university requirements.

Undergraduate Articulation Requirements

Students without a degree in agriculture, natural resources management, wildlife science or closely related field (as determined by the MSANR Graduate Coordinator) may be required to take additional undergraduate prerequisite courses to enroll in advanced courses (based on a review by the MSANR Graduate Coordinator).
