

**MASTER OF SCIENCE IN EDUCATION  
WITH A MAJOR IN TEACHING FOR INITIAL LICENSURE  
Comprehensive Emphasis (K-12)  
"EDUCATORS AS FACILITATORS OF LEARNING"**

The Master of Science in Education with a Major in Teaching Program is available for those students who have obtained a baccalaureate degree from an accredited college or university. The Graduate Faculty has adopted the theme, "Professional Educators as Leaders and Enhancers of Human Development," to represent its goal in continuing an educator's professional development. The advanced program goals and conceptual framework are depicted as four keys that the graduate faculty feels will unlock each candidate's potential. They are: **Key 1 Knowledge, Skills and Application, Key 2 Human Relations, Key 3 Inquiry, and Key 4 Professional and Ethical Behavior.** Inherent within each key component are outcomes that the candidate is expected to master upon completion of their individual program. These keys are linked together by the faculty's commitment to diversity, technology, and assessment.

\* Denotes course with a pre-requisite. See University Catalog for details

**Total Minimum Hours Required for M.S. Degree** **43**

Note: All students in the MSIL program should contact Education Student Services for a transcript evaluation during their first semester of enrollment to determine which undergraduate courses will be required to meet licensure requirements.

Admission to teacher education program is required of candidates for the Master of Science in Education with Initial Licensure. It is important that each student work closely with their advisor to ensure compliance with teacher education admission requirements.

The candidate is required to pass a written comprehensive examination during the semester of graduation.
