

POSITION ANNOUNCEMENT

The MATH LEARNING CENTER
— making sense of math —

Vice-President of Programs

Make a Difference in Math Education The Math Learning Center (MLC) is a nonprofit organization celebrating 30 years of serving the education community. We offer innovative and standards-based professional development, curriculum materials, and resources to support learning and teaching. Over the past three decades thousands of teachers have attended MLC workshops and hundreds of districts across the country have implemented our materials.

We're looking for an experienced education leader to become our new VP of Programs. In this key role you will lead our efforts to develop and deliver high quality professional development and teacher support programs. As a member of the senior leadership team you will also contribute to the strategic direction and management of the organization.

Candidates will be evaluated based on the following requirements:

- K-12 classroom teaching experience with a passion for math education.
- A commitment to a standards-based approach that emphasizes conceptual understanding.
- The skills, knowledge, and experience necessary to develop and implement programs for teachers.
- Superior communications skills including the ability to organize and deliver presentations.
- Exceptional interpersonal skills with a talent for building relationships across diverse groups.
- Demonstrated ability to lead teams of colleagues including the capacity to initiate and influence change.

Ideal candidates will also have:

- An advanced degree in education or related field.
- Experience with regional or national math education initiatives.
- Knowledge of Math Learning Center materials.

Salary dependent upon qualifications. The MLC benefits package includes medical coverage, paid time off, and a retirement savings plan. Position located in Salem, Oregon. Start date flexible but preferably no later than June 30.

To be considered please email your resume to toms@mathlearningcenter.org
