

MATHEMATICS TEACHERS OF TENNESSEE NORTHWEST NEWSLETTER
Spring 2008 Jimmy Goodman, Editor

The Spring Meeting of the Mathematics Teachers of Tennessee was held on Saturday, February 23, 2008 at Jackson Christian School. Fifty-two individuals were in attendance.

We want to thank all of our speakers. The presentations that they made at the meeting were excellent. We also had vendors from “Carolina Curriculum” and “A+Compass” who distributed information to the teachers. They supplied some nice door prizes, as well. As with past meetings, several door prizes were awarded to attendees.

The regular business meeting was held after lunch. Attached are the minutes of this meeting.

The Fall Meeting will be on September 27, 2008 at the University of Tennessee at Martin in Martin, Tennessee. We are looking for speakers. Please feel free to share the speaker forms with other teachers in your area. Theresa Rushing will serve as program chair again. Because she needs to have the program completed by the end of August, please have your speaker forms to her as soon as possible.
