May 17th-31st, 2010

Get a unique history lesson on this travel-study trip to England and Ireland!
The trip will begin with an exciting bus tour through historic London. Next, you will spend six days touring various museums and historical sites in London and several days in its surrounding areas. Some featured highlights on the tour will include the impressive architecture of Westminster Abbey, the mysterious site of Stonehenge, a C.S. Lewis tour through Oxford, Shakespeare's Stratford, Thomas Becket's Canterbury Cathedral, and Windsor Castle, the largest and oldest castle in the world.

Ireland's ancient past makes it an archeological paradise, with many sites dating back thousands of years. You will spend the second-half of your trip exploring Ireland's historic attractions and coastlines, including the breath-taking Cliffs of Mohr, the remarkable Rock of Cashel, and Blarney Castle, home to the legendary Stone of Eloquence, where kissing it means you'll never again be lost for words.

Anywhere and everywhere there is history to be discovered on this fantastic journey to England and Ireland!

Credit offered for Honors 368 and History 468

Estimated Cost: TBA
