*The BA requirement for Foreign Language is that you complete the 222 course. If you need the 111/115 or 122 courses to be ready for the 222 course (as is typically the case), these courses will be necessary.

**If you choose to take COMM 355, it should be taken in Spring – during the same semester as COMM 360.

***Our majors are required to complete a minor. The number of hours required varies per minor, but it's typically 18 hours.

NOTE that your individual situation may vary, but this is a fairly “typical” path. In any case, your specific plan will be prepared ONLY after careful consultation with your adviser. This plan is not binding. It does provide a framework for your academic career with us.
