CLASSES

GRADES K-2

9:00 am - 12:00 Noon

Making Cents

Amanda Percy

This is an elementary look at Economics of today's society. In this session of Kid College, students will learn a hands-on approach to the monetary value of money, where money comes from, spending, how money can grow, and the banking process. We will be collecting Funny Money throughout the week to buy prizes while making fun crafts and touring a bank. Then, by the end of the week session, your money will be Making Cents! We will be walking to First Bank Parsons for a tour of the Bank. Please sign the permission slip on the registration form. *Supply Fee: \$5.*

World Travelers

Donna Pulley

Pack your suitcase and get ready to travel the world! In this class we will visit countries all around the globe to learn how people live, eat, dress, celebrate and play. We will do traditional crafts, listen to music, try new food, and read stories. Every explorer will get a passport to remember the journey. *Supply Fee: \$5*

GRADES 3 – 5

9:00 am - 12:00 Noon

Money Matters

Amanda Percy

During this session of Kid College, students will find the value of money with a hands-on experience of money (earning and spending), the aspects of banking, making your money grow (interest, and the importance of saving). We will be collecting Funny Money throughout the week to buy prizes while making fun crafts and touring a bank. When the week is through, we will understand how to make your Money Matter! We will be walking to First Bank Parsons for a tour of the Bank. Please sign the permission slip on the registration form. *Supply Fee: \$5.*

Walk Like an Egyptian

Donna Pulley

Take a time machine back to one of our coolest civilizations – Ancient Egypt. On our journey we will learn to write hieroglyphics, make paper, investigate artifacts and, best of all, make a mummy. The journey will end with an Egyptian burial feast to put our mummy to rest. *Supply Fee: \$5*
