

Office of Educational Outreach– Disabilities Services

It is the policy of UT Martin and the Office of Educational Outreach to provide reasonable accommodations (academic adjustments and auxiliary aids) to assist students with disabilities in negotiating the university system.

Students should speak directly with the Center Director and/or Executive Director and be referred to the Student Success Center – Office of Disabilities Services for information on services available and assistance. Center Director and/or Executive Director should provide follow-up with the student to ensure assistance was received.
