

skyhawk Summer Academy

UT Martin Online prides itself in connecting students to our campus and faculty to provide educational opportunities that align with your schedule and fit within your daily life. That's why we are proud to announce our inaugural Skyhawk Summer Academy.

Engulf yourself in our hybrid non-degree program that connects online learning and hands-on experience as you learn about:

Vet Science Course

Equine Course

Culinary Course

Precision Agriculture: Using Drone Technology

upcoming dates

Online Portion
April 24 -
June 2, 2017

On-Campus
June 9, 10, & 11

cost

\$250 per
person

ONLINE EXPERIENCE - includes six weeks on online course material to engulf yourself and enrich your knowledge within the program area of your choice. Utilizing Canvas, our new learning management system for the university, students will engage our professors and other students to examine innovative approaches in their specialized study.

ON-CAMPUS EXPERIENCE - at the conclusion of the online portion of the course, students visit campus for a 3-day, hands on program where you meet your professor, fellow classmates, and UT Martin staff to try your hand at utilizing the knowledge you gained. **Lodging and meals are included with the price.**

Designed for:

Individuals interested in learning about innovation, new technology and techniques (ages 16 and older)

Minors must be accompanied by an adult - \$250 for a course participant; \$125 for non-participant

(includes lodging and meals)
