Request for Deadline Extension of Praxis Score Results

Admission to Student Teaching will be granted if students meet all criteria by stated deadlines. Passing scores for all required Praxis exams must be received in the Office of Education Student Services by the last day of the semester before student teaching begins.

The following request for deadline extension has been developed for students who have registered or taken the required Praxis exams but cannot provide a passing score within the timeframe required.

960 _____
Student I.D. Student Name (First, M.I., Last) Student Teaching Term/Year

Academic Advisor Major/Concentration

(1) _____
Test Name/Test Code Date of Test

(2) _____
Test Name/Test Code Date of Test

Reason for Request:

I understand that if extension is approved and passing scores on all Praxis tests required for licensure are not received by the first day of the student teaching seminar, I will be administratively withdrawn from both student teaching courses, placements will be cancelled, and I will have to reapply to student teach the following term.
