WILLIAM SHAKESPEARE’S
AS YOU LIKE IT
Uncertain of their standing in court and fearing for their lives, Rosalind and Orlando are forced into exile in the Forest of Arden, only to become entangled in a beguiling game of love, lust, and mistaken identity. One of Shakespeare's great comedies, As You Like It subverts the traditional rules of romance, confusing gender roles, nature, and politics, leaving the audience with absolutely no doubt that love conquers all.
