Notes:

- This list does not include tuition/lab fees or personal health insurance coverage, both of which are required. All fees are subject to change.
- **Represents average cost of books; expenses are greatest during the first semester of the program.
- Transportation to and from clinical agencies will be the responsibility of the student.
- All fees are subject to change.

Important Messages Regarding Fees:

The Uniform Shop will be on campus during the first 2 weeks of the semester for uniform sizing and ordering. Students must pay ½ of the total uniform cost at the time of ordering; therefore, you can anticipate needing approximately \$50 at that time (1/2 of \$100).
