

“Each year a select group of students is called forward to accept one of the most prestigious awards the academic community can bestow - selection to **Who’s Who Among American Universities and Colleges**.

This exclusive honor is conferred by more than 1,900 schools in all 50 states and the District of Columbia, and is symbolized by the presentation of an award certificate.

This prestigious award process was established in 1934, and recipients have proven their strength and character in academic achievement, extracurricular activities, and community services.”
