HOW TO BE A SANTA'S HELPERS SPONSOR

Families, Churches, Businesses, Organizations, Clubs, and Colleges

To be a Sponsor, you only need to buy a shirt, pair of jeans or skirt, two inexpensive toys, and socks, underwear, or pajamas. **NO SHOES PLEASE!** I usually give a game to each family with two or more children. A form will be furnished providing the child's or children's sizes and toy preferences, so this information will be provided to you.

The form also states if the gifts are to be wrapped. Each gift will be labeled with the child's name and put in a large trash or gift bag. The form provides the parent's name, address, and phone number. All gifts should be brought to Santa's Helpers at 117 S. Poplar Street in Dresden, TN unless arrangements are made for pick-up.

With your help, Santa's Helpers is able to service more children in the Weakley County area. If you or anyone you know would like to be a Sponsor for this year, please call Lou Ann Powers at 731-364-2113 (home) or 364-3130 (store). I will let you choose a name or names from the 2009 list provided by teachers and family members.

Helping a family in need *will* put joy in your own Christmas!

Thank you,

Lou Ann Powers
Founder and Chairperson

Martin Health Care is a residential care center with most of the residents being elderly, although there are some patients who are middle aged. Most of the residents don't need much help to be involved in activities, but a few need more care.

Martin Health Care will perform a background check on potential volunteers, plus volunteer applicants will need to have a TB skin test, which Martin Health Care performs.

There is an activities director who plans activities for the patients. Volunteers are needed to help implement the activities.

Activities include playing games, loading a movie for residents to view, and interacting with the residents.
