

TRIO STUDENT SUPPORT SERVICES

Mentoring Program

You could be our missing piece. If you are interested in becoming a member of a small group mentoring team, please complete this form and bring it by one of our offices in Clement 172 or 173.

The Mission of the TRIO SSS Mentoring program is to provide a network of peers who will assist and encourage each other throughout their years at UT Martin. All Peer Mentoring Teams will be required to meet at least three times each semester, but are encouraged to attend additional campus activities together as well. The Peer Mentoring Team will determine when and where their meetings will occur. A team appointed scribe will submit a brief account of each meeting to the TRIO office in 173 Clement.

Student ID: First Name: Last Name:
