## College of Business and Global Affairs

### Opportunities for All UT Martin Undergraduates

#### **Your College Degree**

When considering your college major and minor have you ever thought where you will put your knowledge to work after you graduate? Regardless of your major, you will likely begin your career in a private sector business or government organization. Someday you might also wish to start a business and chart your course in medicine, engineering, agriculture, fine or performing arts, merchandising, law, consulting or other areas. As you grow in your personal and professional life, you may decide to attend graduate school, travel internationally, or move into another profession.

#### **Career Options through a Minor Field of Study:**

- Accounting
- Business Administration
- Computer Science
- Entrepreneurship
- Finance
- International Studies
- Leadership
- Management
- Management Information Systems
- Marketing
- Information Systems
- Paralegal Studies
- Political Science

The College of Business and Global Affairs can help you prepare for some of the unknowns in your future by offering you the opportunity to choose a minor that can be of benefit to you as you progress in your professional career. A minor can enhance your skills, build your resume and prepare you for whatever your future may hold; and, with sound planning, you can obtain a minor in business or related field and graduate in four years!

**Be Prepared for Your Future!**

## Masters of Business Administration

### The MBA

Whether you are a college senior, a recent graduate, or a seasoned professional, your business education can begin with the Masters of Business Administration (MBA) degree. The College of Business and Global Affairs offers you the opportunity to earn a Master of Business Administration degree with 35 hours of graduate study – regardless of your undergraduate major. The MBA offered through the CBGA is open to anyone holding a four-year bachelors degree from an accredited institution in any field.

The MBA is a widely recognized, professional degree and can open many doors in the business world. For those already working as professionals in the medical, technical, government service, or other fields, the MBA provides the educational credentials often needed for career advancement. The program is designed to prepare individuals for managerial positions by providing background in the major areas of business.

### AACSB Accreditation

All business degrees at UT Martin are accredited by AACSB International, the premier accrediting agency of business programs. The exceptional quality associated with AACSB accreditation is recognized worldwide. Students receive practical knowledge and skills necessary for advancing their careers and also receive conceptual foundations for future educational pursuits.
