## Center for Global Studies & International Education

*Students, faculty, staff and community members – the UT Martin Center for Global Studies and International Education is your one-stop shop for all things international.*

Our history of international innovation goes back more than 30 years, when UT Martin started the Tennessee Intensive English Program, bringing the world to West Tennessee to study and grow. Building on this foundation, and with the help of numerous university and community partners, the CGS was born in 2004, serving as a regional catalyst for international leadership.

### Something for everyone
