

WTWP Welcomes Harvey Daniels

The West Tennessee Writing Project welcomes as its opening presenter Harvey Daniels, author of *Literature Circles: Voice and Choice in Book Clubs and Reading Groups*, and *Subjects Matter: Every Teacher's Guide to Content Area Reading*. In 1996 Daniels co-founded Chicago's first new high school in 30 years, named for and designed on the principles outlined in his book, *Best Practice: New Standards for Teaching and Learning in America's Schools*. And through Chicago's Center for City Schools, Daniels works with a network of 15 improving elementary schools.
