Club News

The club bylaws state there should be a Membership and Public Relations Committee. Anna Clark has volunteered to chair up the public relations end of things and Danelle the membership side. At Wednesday's meeting, you will have the opportunity to indicate what committees you might want to serve on. Other committees are as follows: Community and Youth Services, Fundraising, and Program/Meeting.

At the Nov. board meeting, approval was given to donate to the Martin Elementary School Reading Incentive Program through a District Foundation Community Service Grant. This was submitted on Nov. 26 to arrive before the Dec. 1 deadline.

The Board also approved an AED grant application for one of the Dresden schools. We will work on publicity for this.

A matter brought up at the board meeting but not discussed other than "first reaction" was to seek out alternative meetings in months with 5 Wednesdays. Presumably this would be on the 5th Wednesday, with adjustments made for months like this November, when it was more convenient to not meet the day before Thanksgiving. Your opinions are solicited on this idea. This might be an opportunity to meet in the evening, away from campus, have open discussions (committees?) or have prospective member events.

Our 50th anniversary is May 23, 2018. Planning for this should begin
