“This is my first parade ever” said Bailey Meacham, a member of K-Kids who helped Key Club and David Spencer with the Kiwanis entry in this year’s Christmas Parade. Electing to ride in the back of the truck while Key Club Members carried the Kiwanis Banner, Bailey had a rindside seat to all the activity that makes the parade come together.

Union City Fire Department escorts Santa! With the postponement of the parade, Coca Cola of Union City, which had transported Santa in its sleigh last year and was scheduled to do so this year had a conflict and was unable to participate. The Union City Fire Department came to our rescue with Santa riding in the bucket of a fire truck adorned with thousands of miniature lights. Truly spectacular!

Oh What a Night! There is nothing quite like that moment when the parade entries are lined up in the four parking lots waiting to be inserted into the parade and the “blues come on and the sirens wail,” and the parade chair can at last know that he or she has successfully put together a grand event. Postponement seemed to have little effect on the number of entries, indeed there were several who registered the night of the event. Approximately 60 units participated in the parade.

Hats off to Key Club member all adorned with Santa hats. Well done! One member was quoted as saying “This is my first Key Club Event. My friends told me it was a lot fun to be a member.?”
