Dr. Richard Garlitz, Department of History and Philosophy at UT Martin, gave a presentation entitled “The Great War in the 20th Century” at the Nov. 8 meeting.

Dr. Garlitz discussed four ways World War I shaped the 20th century: through the industrialization of weaponry that led to one of the deadliest conflicts in human history; through the advancements in medicine and medical procedures; with the war dramatically changing the world order; and how the war marked the emergence of the United States as a major world power.

Christmas parade applications and waiver of liability forms are available at martinkiwansclub.org and the Martin Kiwanis Club Facebook page.
