

Feb. 12, 2020

"Kiwaniis is a global organization of volunteers dedicated to improving the world, one child and one community at a time."

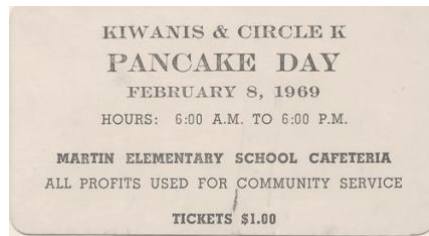

Today's Program

Paul Tinkle

Future Programs

Feb. 19, Corey Green — Martin Fire Academy
Feb. 26, Charles Ross — Weakley County Road Dept.

Club News

From our Kiwanis President: "The smell of pancakes is in the air! This is one of my favorite Kiwanis fundraisers of the year. Great breakfast and fellowship with our community make this a fun morning for all!"

Board Actions: Donation to HOSA (Westview) to support attendance at the State Convention (\$150), ongoing donation to Daddy-Daughter Dance. (\$250) as a line item, support of Key Clubs in Martin and Greenfield to attend Key Club convention in Tupelo (two rooms). Action taken to partner with Usborne Books to purchase books for the Teen Center. Kiwanis donated \$250 which will purchase \$350 worth of books.

Approximately 40 yard signs have been placed at various locations in the Martin vicinity in support of the annual pancake breakfast. If you seem some of these that are windblown (the 25-30 mph winds yesterday wreaked havoc on some), please upright them or give Jim a call with a location. They were placed as deeply as possible, but wet soil and winds take their toll. The Optimist sign is waiting at the corner of Main and Central for dryer weather and its letters/digits/punctuation to be put on! Perhaps Tuesday!

K-Kids met on February 6 to learn about the upcoming Kiwanis Pancake Breakfast. Each student was given a set of markers and three posters with a partial poster printed at the top with the necessary information about the pancake breakfast. K-Kids were to finish the posters at the bottom. Several of the students had been to the breakfast and a few had worked there

Martin Kiwanis Calendar.

- Feb.13 — K-Kids, MES, 2:25 p.m.
- Feb. 22 — Pancake Day
- Feb. 22 — MHA Daddy Daughter Dance, UTM University Center

the last couple years. Sara Sieber, K-Kid advisor, discussed where the profits from the breakfast are used. Some of the money goes to 4-H, sports teams, scouting, and Daddy-Daughter Dance. Almost all of the students had participated in at least one of the activities. At the close of the meeting, each student took two posters and left one. Those posters will be displayed around the school. A few were kept to give to Kiwanis members at the next meeting.

At the Feb. 5 meeting, Dr. Phillip Smartt, professor of natural resource management at UT Martin, discussed new technology in agriculture and said that the use of drones is increasing. A certified drone pilot, Dr. Smartt explained that drone photography enables the regulation of seed, fertilizer, and pesticide use.
