Postman Gary Powell was first in line!

Captain Kory Green of the Martin Fire/Rescue/EMS Department gave an overview of the Citizens Fire Academy (CFA) when he spoke at last week's Kiwanis meeting. Captain Green said that this dynamic CFA eight-week program has been offered for the last five years and will be offered again this coming fall, probably in October.

Captain Green said that the program has been designed to provide participants with an inside view of the organization and operations of the City of Martin Fire Department while promoting citizen interaction with the firefighters of the fire department.

Captain Green, who has served in the MFD for 16 years and for the last six years as a training officer, said that after general introductions on the first night of the academy, the curriculum will include live demonstrations, classroom learning, and hands-on experiences, all

designed to give participants a true feel for the many services provided by MFD. For more information, contact Captain Green at (731) 587-4919 or kgreen@martindps.org. The program is free and open to anyone 18 years or older who either lives or works in Weakley County.
