### Upcoming Program

June 16 — Steve Vantrease, Weakley County School Board Chair

Last week's speaker, Dr. Mary Radford, chair and associate professor in the Department of Nursing at UT Martin, gave a presentation about "Telehealth in the Pandemic" at the May 19 Kiwanis meeting. She gave some history of telehealth before the pandemic with the increased use of nurses and medical professionals answering questions via the telephone. She noted the dramatic shift from in-person office care to virtual care during the pandemic with a 240 percent increase in the use of telehealth. She said that some of the benefits of telehealth are that this practice brought care to patients, minimized trips to the doctor, reduced healthcare costs, improved communication, and resulted in better overall health outcomes.

**Just in case you start looking for your Zoom link, WE ARE MEETING IN PERSON, June 2.** I suspect everyone in the club has been vaccinated, so come on over to University Center Room 230 — the old meeting room upstairs around 12 noon. Your Kiwanis friends will be looking to see if you have lost/gained weight or perhaps your hair color changed. If you are nervous about distancing, there is lots of room there!

Note that because there are approximately 300 young students on campus the week of the 16<sup>th</sup>, there is no room for us, so we will be returning to our Zoom cloisters. After that, we hope to be back in the swing of things!

**Not stolen! No need to storm the University Center!** The results are in and our officers for the 2021–22 year are:
