"Kiwanis is a global organization of volunteers dedicated to improving the world, one child and one community at a time."

Today's Program

No program, just a get-together social at La Cabaña starting around 5:00 and lasting until the last person leaves. Scheduled at a time so that you can make it to other Wednesday evening events if needed. Tell them at the counter that you are with the Kiwanis gathering. You will be directed to the right place. Guests invited!

Future Programs:

July 7: Keith Carver, UTM Chancellor

July 21: Brian Moore, Martin Parks and Recreation

Dana Hagan, project coordinator at UT Martin, gave an interesting update about several major construction projects when she spoke to Kiwanis on June 16. She is pictured here in front of the new Latimer Engineering and Science Building on the UT Martin campus. The three-story building is huge—120,000 square feet—and has a “penthouse” to store all the mechanical systems in the building. Construction on this building began in June 2019, and is scheduled to be completed for the fall semester of 2022. Dana also discussed landscaping and construction on University Street although the city is responsible for that area.

Harry Henderson is pictured with Betty and his Golden Hammer Award for 20 years of service to the Weakley County Habitat for Humanity. This photo was included in a portfolio of materials submitted to district in support of our chapter nominee for Layperson of the Year. Included were letters of support by Annie Jones, Linda Ramsey, Otha Britton, Jim Clark, Bryant Fisher (FUMC Youth Pastor) and Mike and Nancy Hinds. The letters of support in this portfolio address Harry’s dedication to family, friends, his faith, his outreach and service in west Tennessee, and his many years of professional contributions in agriculture, and, of course, his extensive Kiwanis activities.

Kiwanis Brick at entrance of Martin Public Library. Open to the general public for the first time on August. 2. Plan to be there!
