June 30th Social

La Cabana was crowded with our group, other guests, and a birthday party. Linda had called to reserve the room, and Jayne confirmed that Linda had called. However, when Sara arrived at 4:50, the room had not been set up. When Jim and Anna arrived just a few moments later, the room still had not been set up. There was a big birthday party set up in one area, but the young man trying to seat everyone realized that space was too small for the birthday party, so he moved us where the birthday party originally has been planned, and the birthday party people went in the big room with the fireplace. All worked out. They were the quiet ones!
