The program is designed to grow leadership and increase citizen involvement in the community by engaging participants in interactive sessions about county government, business, education, etc. The 2023 program begins January 5th and runs through April 18th. It includes 7 sessions from 8:00 a.m. to 3:00 p.m. twice a month on selected weekdays. Visits to Weakley County businesses as well as a daytrip to Nashville are part of the experience. In addition, each class of participants plans and conducts a project to benefit the community

Nominations are now being accepted. If you are interested in participating through our Kiwanis club, please contact Ann or one of the other Kiwanis board members as soon as possible. The application deadline is before 8:00 a.m. November 18, 2022.
