*"Kiwanis is a global organization of volunteers dedicated to improving the world, one child and one community at a time."*

## Today's Program

Jeff Cupples, Director of Weakley County Schools

**Last week** — Community, collaboration and commitment: Elizabeth Pritchett, chair of the Charger Foundation, outlined for the November 1 meeting of Kiwanis the core values of this independent, community-based organization that formed in 2018 exclusively for charitable and educational purposes. The foundation seeks to help provide the best academic education and experience it can for students, teachers, and administration by supporting them with additional educational materials and tools to create an exciting, evolving, and thriving learning environment. Elizabeth highlighted some of the recent investments, grants, and scholarships made available through the Charger Foundation and underscored this core value: "We believe that the entire community must be committed to the educational success of our students."
