Kiwanis, Weldon Library, Martin Parks and Rec to Host Book Walk

What is a book walk you ask? Simple. You take a children’s book and laminate the pages and fasten them to signs spread across a disc golf course. Children walk from sign to sign and read or have pages read to them. At certain stages of the walk, there are craft tables with activities related to pages of the book. By the time the children complete the course, they have completed the book along with several craft activities. It is a great time for families to walk through the disc golf course at Harrison field and read a book together as well as have some fun and exercise.

This year’s book is entitled *When the Leaf Blew In*. which as indicated on Amazon.com is “wonderfully zany story about what happens on a farm when a leaf blows into the barn!”

When the leaf blows into the barn,
The cow sneezes "Ah choo!"

And when the cow sneezes "Ah choo!"
The spider falls on top of the owl...

With simple, repetitive text and silly, expressive illustrations, children will fall for this hilarious autumn story about the way one leaf turns an entire barnyard upside down!” A typical craft activity might be to color a spider and glue it to an owl.

This year’s book walk is October 14 from 10-12 at Harrison field. This is our Kiwanis One Day activity. We hope to enlist Kiwanis, K-Kids,
