Club News

A note on the 50th Anniversary Gala: Festivities begin at 5:30 with an (optional) tour of Discovery Park. A social hour begins at 6:00 that will include a cash bar. It is anticipated that the DPA tour will overlap the social hour by approximately 30 minutes. The dinner and program begin at 7:00. Current members meal is included in your monthly dues. Guest tickets are \$15. We will have signup sheets available at meetings for current members and their guests. For others, Steve Lemond has agreed to be the contact person for reservations (slemond@utm.edu). Deadline May 1.

At its March meeting the board of directors voted to contribute \$300 (to be matched) to the Kiwanis Award for Leadership and Service as part of the Captain's Challenge fundraiser event. (See dates in next column.)

April 11 and 18 are significant in that two members are celebrating birthdays on the actual day of a meeting: **Vickie Hazlewood** and **Laura Taylor**.

David Brodrick, Harry Henderson, and SK Airee were inducted into Kiwanis on **April 18, 1968**. Congratulations to these three for 50 years in The Kiwanis Club of Martin, TN. The official charter night was **May 23, 1968**.

Jodie Duncan, who visited the club recently with Skyhawk softball Coach Canary on March 28, was awarded the Bettye Giles Female Athlete of the Year Award at the UTM's April 16, at the Elam Center.

Cheers! After we heard Angie Leach's informative presentation about family dairy farms and the Milk Alliance, we were ready to toast our local dairy farmers with a glass of delicious, nutritious milk! Angie, from Cottage Grove, is on the far right in the picture, Vickie Hazlewood's husband Madison who joined us on Vickie's birthday is in the center. Mary Elizabeth Bell--long associated with dairy farming also attested to milk's benefits. Angie had with her lots of SWAG — Stuff We All Get!, including a key ring with a cow, note pad recipe book, cow fans (pictured) and a factual brochure that included tidbits such as a cow's nose can serve as its fingerprint and cows have an acute sense of smell, sensing something 5 miles away as well as nutritional information.
