SECTION 1 INTRODUCTION

1.1 PURPOSE AND OVERVIEW

The University of Tennessee at Martin is committed to creating and maintaining a learning, living, and working environment free from Sexual Misconduct, Relationship Violence, Stalking, and Retaliation. Those prohibited types of conduct will not be tolerated and will be grounds for disciplinary action up to, and including, permanent dismissal from UT Martin and termination of employment.

Sexual Misconduct, Relationship Violence, Stalking, and Retaliation are collectively referred to in this policy as Prohibited Conduct. This policy: (1) describes Prohibited Conduct; (2) explains options for reporting Prohibited Conduct; (3) sets forth the procedures UT Martin will follow for promptly, thoroughly, and equitably investigating and resolving reports of Prohibited Conduct in order to eliminate Prohibited Conduct, prevent its recurrence, and address its effects on Complainants and/or the UT Martin community; (4) identifies resources for students and employees, including Complainants; (5) outlines UT Martin's prevention and awareness programs relating to Prohibited Conduct; and (6) implements the requirements of Title IX, Title VII, and the Clery Act with respect to Prohibited Conduct.

1.2 SCOPE AND APPLICABILITY; DEFINITIONS

1.2.1 Individuals Covered by This Policy

This policy applies to the conduct of and protects UT Martin students, UT Martin employees, UT Martin volunteers, UT Martin contractors, and third parties participating in a UT Martin program or activity. This policy applies regardless of the Complainant's or the Respondent's sex, sexual orientation, or gender identity. Prohibited Conduct can be committed by anyone (regardless of sex, sexual orientation, or gender identity), can occur between strangers or acquaintances, and can occur between people of the same or of different sexes, sexual orientations and/or gender identities.

1.2.2 Jurisdiction

UT Martin's jurisdiction concerning off-campus misconduct by students committed away from University-controlled property is outlined in the Rules of UT Martin, Chapter 1720-05-01-.03.¹ With respect to employees and other non-students, this policy applies to conduct which: (i) occurs on University-controlled property; (ii) occurs in the context of a University employment or education program or activity; and/or (iii) occurs outside the context of a University employment or education program or activity, but has continuing adverse effects on University-controlled property or in any University employment or education program or activity.

1.2.3 Effective Date

The effective date of this policy is September 1, 2016. This policy applies to all Prohibited Conduct reported to have occurred on or after the effective date of this policy. If the Prohibited Conduct reportedly occurred prior to the effective date of this policy, then: (1) the report will be evaluated using definitions of misconduct contained in applicable university policies in effect at the time of the reported Prohibited Conduct; and (2) other aspects of the University's response to the report (e.g., in vestigation and resolution procedures) will be based on this policy.

1.2.4 Definitions

For the purposes of this policy, the "Complainant" is the person who may have been subjected to Prohibited Conduct regardless of whether that person makes a report or seeks action under this policy. The "Respondent" is the person or registered student organization who has been accused of committing Prohibited Conduct. These terms do not imply pre-judgment concerning whether Prohibited Conduct occurred.

Other key terms used in this policy (such as Sex Discrimination, Sexual Misconduct, and Relationship Violence) are defined in either **Section 2** or **Appendix A** and are capitalized throughout this policy.

1.3 TITLE IX; TITLE IX COORDINATOR

UT Martin is a recipient of federal financial assistance for education activities, and in accordance with the provisions of Title IX, all of its education programs and activities are subject to the prohibition against Sex Discrimination. UT Martin's **Nondiscrimination Statement**² prohibits Sex Discrimination in any UT Martin education program or activity, including employment and admissions. Title IX applies to all students, employees, applicants for admission or employment, volunteers and visitors at UT Martin and prohibits unequal treatment on the basis of sex including Sexual Harassment, Sexual Assault, and Sexual Exploitation, which are all types of Sex Discrimination.

Reports or complaints of Sex Discrimination or Prohibited Conduct, or questions about UT Martin's policies, procedures, resources, or programs concerning any of those issues, may be directed to UT Martin's Title IX Coordinator. The responsibilities of the Title IX Coordinator is summarized below and are described in more detail in other sections of this policy. The Title IX Coordinator is generally available Monday – Friday on UT Martin business days from 8:00 a.m. to 5:00 p.m.

1.4 QUESTIONS ABOUT THIS POLICY; ADDITIONAL INFORMATION ABOUT PROHIBITED CONDUCT

Questions about this policy should be directed to the Title IX Coordinator. Additional information about the University's procedures and programs relating to Prohibited Conduct can be found online at: <https://www.utm.edu/sexualmisconduct/titleIX.php>.

SECTION 2
PROHIBITED CONDUCT

This policy prohibits the following conduct defined in Section 2.1 or Appendix A:

- **Sexual Misconduct**
 - **Sexual Assault**
 - **Sexual Harassment**
 - **Sexual Exploitation**
 - **Sex Offense Crime**
- **Relationship Violence**
 - **Dating Violence**
 - **Domestic Violence**
 - **Relationship Violence Crime**
- **Stalking**
- **Retaliation**

2.1 DEFINITIONS OF PROHIBITED CONDUCT

TERM	DEFINITION
Sexual Misconduct	A term that encompasses Sexual Harassment, Sexual Assault, Sexual Exploitation, and all other words and/or conduct that would constitute a Sex Offense Crime.
Sexual Assault	Engaging in Sexual Contact or Sexual Intercourse with another person without the Consent of that person.
Sexual Contact	The intentional touching of another person (including another person’s clothing) in a sexual manner with any part of one’s body or with any object. Sexual Contact also includes intentionally causing another person to touch themselves (including their clothing) in a sexual manner. Whether a touching was done in a sexual manner is determined from the perspective of a sober, objectively reasonable person in the same situation and with the same sex, gender identity, and sexual orientation as the person who was touched.
Sexual Intercourse	The penetration, no matter how slight, of the vagina or anus with any body part or object; or oral penetration by a sex organ of another person.
Sexual Harassment	Sexual Harassment is a form of Sex Discrimination. To determine whether conduct constitutes Sexual Harassment, consideration must be given to the totality of the circumstances, including without limitation: the context in which the conduct and/or words occurred; and the frequency, nature, and severity of the conduct and/or words. Depending on the severity of the conduct, a single incident may be considered sexual [or other discriminatory] harassment. With respect to <u>an employee’s conduct</u> , Sexual Harassment means conduct prohibited by <i>University of Tennessee System Human Resources Policy 0280 (“Sexual</i>

TERM	DEFINITION
	<p><i>Harassment and Other Discriminatory Harassment</i>”) (policy.tennessee.edu/hrpolicy/hr0280/)</p> <p>With respect to the <u>conduct of a student or other non-employee</u>, Sexual Harassment is defined as unwelcome conduct of a sexual nature that is so severe or pervasive, and objectively offensive, that it substantially interferes with the ability of a person to work, learn, live, or participate in or benefit from the services, activities, or privileges provided by the University. In no event shall the term “Sexual Harassment” be construed to prohibit speech protected by the First Amendment to the United States Constitution (e.g., mere insulting or offensive speech). Sexual Harassment may include, for example, unwelcome sexual advances, requests for sexual favors, and acts of Sexual Assault. <i>(This definition is based on Standard of Conduct Number 6 for students, which can be found at: http://share.tn.gov/sos/rules/1720/1720-05/1720-05-01.20151213.pdf.)</i></p>
Sexual Exploitation	<p>An act or attempted act by a person for the purpose of sexual arousal or gratification, financial gain, or other personal benefit through the abuse or exploitation of another person’s sexuality. Examples of Sexual Exploitation include, without limitation: observation of a person who is undressed or engaging in Sexual Contact or Sexual Intercourse, without the Consent of all persons being observed (in a place where a person has a reasonable expectation of privacy); creation or distribution of images, photography, an audiotape, or videotape of Sexual Contact, Sexual Intercourse, or a person’s intimate parts (i.e., genitalia, groin, breasts, buttocks) without the Consent of all persons being recorded or photographed; prostituting another person; allowing others to observe, either in person or electronically, Sexual Contact or Sexual Intercourse without the Consent of all persons involved in the Sexual Contact or Sexual Intercourse (in a place where a person has a reasonable expectation of privacy); and knowingly exposing another person to a sexually transmitted infection without informing the other person that one has a sexually transmitted infection.</p>
Sex Offense Crime	<p>This term is defined in Appendix A.</p>
Relationship Violence³	<p>A term that encompasses Dating Violence, Domestic Violence, and all other words and/or conduct that would constitute a Relationship Violence Crime. Relationship Violence may be a form of Sex Discrimination prohibited by federal and state antidiscrimination laws, such as Title VII and Title IX.</p>
Dating Violence	<p>Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim of the violence. The existence of such a relationship shall be determined based on the reporting party’s statement and with consideration of the following factors: (1) the length of the relationship; (2) the type</p>

³ In accordance with the Clery Act, the University’s definition of Relationship Violence and Stalking are derived from Tennessee criminal law and the Clery Act. However, for purposes of determining whether this policy has been violated, the University will evaluate a report of Prohibited Conduct based on a Preponderance of the Evidence standard. Thus, the University may conclude that the Respondent committed a violation of this policy even if the same conclusion would not be drawn if the report were evaluated based on the criminal “beyond a reasonable doubt” standard.

TERM	DEFINITION
	of relationship; and (3) the frequency of interaction between the persons involved in the relationship. Dating Violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating Violence does not include acts covered under the definition of Domestic Violence.
Domestic Violence	A felony or misdemeanor crime of violence committed: (1) by a current or former spouse or intimate partner of the victim; (2) by a person with whom the victim shares a child in common; (3) by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner; (4) by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or (5) by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.
Relationship Violence Crime	This term is defined in Appendix A .
Stalking	<p>Stalking includes both the crime of Stalking in Tennessee and the crime of Stalking defined by the Clery Act:</p> <p>Tennessee Crime: The crime of Stalking in Tennessee is defined in Tennessee Code Annotated § 39-17-315.</p> <p>Clery Act Crime: Engaging in a Course of Conduct directed at a specific person that would cause a reasonable person to: (1) fear for the person's safety or the safety of others; or (2) suffer Substantial Emotional Distress. For the purposes of this definition:</p> <ul style="list-style-type: none"> ▪ "Course of Conduct" means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about another person, or interferes with another person's property; ▪ For the purposes of this definition only, "reasonable person" means a reasonable person under similar circumstances and with similar identities to the victim; and ▪ "Substantial Emotional Distress" means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling. <p>Engaging in either conduct that falls under the definition of the Tennessee Crime or the Clery Act Crime violates this policy. Stalking may be a form of Sex Discrimination prohibited by federal and state antidiscrimination laws, such as Title VII and Title IX.</p>
Retaliation	An act or attempted act taken because of a person's participation in a protected activity that would discourage a Reasonable Person from engaging in protected activity. Protected activity includes a person's Good Faith: (1) opposition to

TERM	DEFINITION
	<p>Prohibited Conduct; (2) report of Prohibited Conduct to the University or to a state or federal agency; (3) participation (or reasonable expectation of participation) in any manner in an investigation, proceeding, hearing, or Interim Measure under this policy; or (4) exercise of rights or responsibilities under any provision of the Clery Act. Retaliation is a violation of this policy regardless of whether the underlying allegation of a violation of this policy is ultimately found to have merit. Retaliation should be reported in the same manner in which Prohibited Conduct is reported under this policy (Section 3). When the University receives notice of alleged Retaliation, the University will take immediate and appropriate steps to investigate the alleged Retaliation. The University will take strong responsive action if it determines that Retaliation occurred, which may include disciplinary action independent of any penalty or Interim Measures imposed in response to the underlying allegation of misconduct. The University generally will investigate and resolve reports of Retaliation in the same manner in which it handles reports of other Prohibited Conduct under this policy (Section 5).</p>

2.2 RELATED DEFINITIONS: CONSENT; COERCION; INCAPACITATION; GOOD FAITH; REASONABLE PERSON

TERM	DEFINITION
Consent (or Consensual)	<p>Consent is an affirmative and voluntary agreement by a person to engage in a specific sexual act.⁴</p> <p>Consent Must Be Obtained Consent must be obtained, and the responsibility for obtaining Consent rests with the individual who voluntarily and physically initiates a specific sexual act, even if the other person initiated the sexual encounter. One’s own use of alcohol, drugs, or other substances does not diminish one’s responsibility to obtain Consent from the other person. Moreover, another person’s use of alcohol, drugs, or other substances does not diminish one’s responsibility to obtain Consent from that person.</p> <p>Consent Must Be Affirmative Consent must be affirmative, which means that Consent is communicated only through words and/or non-verbal actions that convey a clear agreement to engage in a specific sexual act. Whether person has communicated an agreement to engage in a specific sexual act generally is evaluated from the perspective of what a Reasonable Person who perceived the individual’s words and/or non-verbal actions would have understood; however, in the context of a long-term relationship between persons that has involved sexual activity and a pattern of communicating Consent, whether Consent has been communicated may be evaluated based on a</p>

⁴ The definition of consent for the purposes of criminal law in the State of Tennessee is explained in **Appendix F**. The information provided in this policy concerning Tennessee law is provided in accordance with the Clery Act. It is not intended, nor should it be construed, as legal advice.

TERM	DEFINITION
	<p>subjective standard (i.e., what did the specific person who initiated the specific sexual act conclude?). A verbal “no” (or words equivalent to “no”) or the nonverbal communication of “no,” even if it sounds or appears insincere or indecisive, always means that Consent has not been communicated, or if previously communicated has been withdrawn. The absence of a verbal “no” or the absence of a nonverbal communication of “no” does not necessarily mean that Consent has been communicated. Because interpreting non-verbal actions may lead to misunderstanding and a violation of this policy, persons subject to this policy are strongly encouraged to err on the side of caution and not rely solely on the non-verbal actions of another person in concluding that the other person has communicated Consent. The University urges persons subject to this policy to communicate with one another before engaging in a sexual act to ensure that they both wish to engage in the same sexual act.</p> <p>Consent cannot be obtained by or inferred from:</p> <ul style="list-style-type: none"> ▪ Silence that is not accompanied by non-verbal actions conveying a clear agreement to engage in a particular sexual act; ▪ Consent communicated by the other person on a previous occasion; ▪ Consent communicated to another person; ▪ The other person’s failure to resist physical force (however, for purposes of this policy, the other person’s resistance to physical force will be viewed as a clear demonstration that the person has not communicated Consent); ▪ The sexual arousal of the other person; ▪ A current or previous dating, romantic, intimate, or sexual relationship with the other person; ▪ Currently or previously cohabitating with the other person; ▪ The other person’s attire; ▪ The other person’s reputation; ▪ The other person’s giving or acceptance of gifts; or ▪ The other person’s extension or acceptance of an invitation to go to a private residence, room, or other location. <p>Consent Must be <i>Voluntary</i></p> <p>Consent is not voluntary if it is obtained by Coercion. Nor is Consent voluntary if it is obtained from a person who is Incapacitated if one knows (or a Reasonable Person would know) that the other person is Incapacitated. Because the Incapacitation of another person may be difficult for one to discern, persons subject to this policy are strongly encouraged to err on the side of caution (i.e., when in doubt, assume that the other person is Incapacitated and therefore unable to give Consent.)</p> <p>Consent Must be <i>Continual</i></p> <p>Consent must be continual, which means that Consent must exist from the beginning to the end of each sexual encounter and for each specific sexual act that occurs during a sexual encounter. A person has a right to change his/her mind; thus, Consent to engage in a specific sexual act may be withdrawn by a person at any time. A withdrawal of Consent is communicated through clear words and/or clear</p>

TERM	DEFINITION
	<p>non-verbal actions that indicate that a person no longer agrees to engage in a specific sexual act. Once a person's withdrawal of Consent has been communicated, the other person must cease the specific sexual act and must obtain Consent before reinitiating the specific sexual act or any other sexual act. Consent is automatically withdrawn when a person becomes Incapacitated. Consent to one type of Sexual Contact or Sexual Intercourse (e.g., oral intercourse) does not constitute or imply Consent for another type of Sexual Contact or Sexual Intercourse (e.g., vaginal intercourse), whether during a sexual encounter or during a previous sexual encounter. The University urges persons subject to this policy to communicate with one another throughout a sexual encounter to ensure that any progression of sexual activity is done with Consent.</p>
Coercion	<p>Words and/or conduct that, viewed from the perspective of a Reasonable Person, substantially impair(s) a person's ability to voluntarily choose whether to engage in a particular sexual act (e.g., Sexual Contact or Sexual Intercourse). Coercion is something more than mere seduction or persuasion.</p> <p>Coercion includes, without limitation:</p> <ul style="list-style-type: none"> ▪ Physical force; or ▪ Words and/or conduct that would cause a Reasonable Person to fear imminent: harm to the person's health, safety, or property or that of a third person; threat of the loss or impairment of a job benefit; threat of the loss or impairment of an academic benefit; kidnapping of the person or a third person; or disclosure of sensitive personal information (e.g., disclosure of a person's sexual orientation, gender identity, or gender expression).
Incapacitated (or Incapacitation)	<p>A temporary or permanent physical or mental state in which a person cannot make informed, rational judgments (e.g., judgments concerning Sexual Contact, Sexual Intercourse, or Sexual Exploitation) because: the person lacks the physical or mental capacity to understand the nature or consequences of their words and/or conduct; and/or the person is unable to physically or verbally communicate Consent. Incapacitation can be voluntary or involuntary. Incapacitation is determined based on the totality of the circumstances.</p> <p>Incapacitation may result from: sleep; unconsciousness; intermittent consciousness; temporary or permanent physical or mental disability; involuntary physical restraint; or the influence of alcohol, drugs, or other substances, including, without limitation, substances used to facilitate Sexual Assault (e.g., Rohypnol, Ketamine, GHB, and Burundanga).</p> <p>Alcohol and drugs are common causes of Incapacitation. When alcohol or drugs are involved, Incapacitation is a state beyond mere drunkenness or intoxication. The impact of alcohol and drugs varies from person to person; however, warning signs of Incapacitation may include, without limitation: lack of control over physical movements (e.g., inability to dress/undress without assistance; inability to</p>

TERM	DEFINITION
	<p>walk without assistance); lack of awareness of circumstances or surroundings; vomiting; unresponsiveness; and inability to communicate coherently.</p> <p>A person who is under the age of eighteen (18) (i.e., a minor) is incapable of giving Consent; however, a person who is at least the age of thirteen (13) and less than the age of eighteen (18) is capable of giving Consent to sexual acts with another person who is less than four (4) years older than the minor.</p>
Good Faith	<p>Having a belief in the truth of information that a Reasonable Person in the same situation could have, based on the information known to the person communicating the information at the time the information was communicated by that person. A report or other information communicated during an investigation, hearing, or other proceeding under this policy is not made in Good Faith if made with knowing or reckless disregard for information that would negate the report or information.</p>
Reasonable Person	<p>A sober, objectively reasonable person in the same situation, and with the same sex, gender identity, and sexual orientation as the person whose words and/or conduct are being evaluated.</p>

2.3. DISCIPLINE FOR PROHIBITED CONDUCT

Prohibited Conduct committed by students violates UT Martin’s Standards of Conduct for students, which can be found in the Rules of the University of Tennessee at Martin, Chapter 1720-05-01-.04 (<http://share.tn.gov/sos/rules/1720/1720-05/1720-05-01.20151213.pdf>). The disciplinary penalties that may be imposed on students who violate the Standards of Conduct also can be found in Chapter 1720-05-01-.04.

Prohibited Conduct committed by employees violates standards of conduct that have been established in existing University policies, including without limitation, UT Martin’s **Nondiscrimination Statement** (<http://www.utm.edu/departments/equalopp/eeostatment.php>), **University of Tennessee Human Resources Policy 0280 (Sexual Harassment and Other Discriminatory Harassment)** (policy.tennessee.edu/hr_policy/hr0280/), and **University of Tennessee System Human Resources Policy 0580 (Code of Conduct)** (policy.tennessee.edu/hr_policy/hr0580/). This policy supplements existing University standards of conduct in order to be more specific concerning UT Martin’s prohibition of Sexual Misconduct, Relationship Violence, Stalking, and Retaliation. Employees who violate this policy will be subject to disciplinary action, up to, and including, termination of employment, in accordance with University policies, including, without limitation, **University of Tennessee System Human Resources Policy 0525 (Disciplinary Action)** (policy.tennessee.edu/hr_policy/hr0525/), **University of Tennessee System Human Resources Policy 0640 (Grievances)** (policy.tennessee.edu/hr_policy/hr0640/), and the **University of Tennessee at Martin Faculty Handbook** (<https://www.utm.edu/departments/acadaff/docs/fachbook.pdf>).

SECTION 3 REPORTING PROHIBITED CONDUCT

UT Martin encourages Complainants of Prohibited Conduct, and others who are aware of Prohibited Conduct, to promptly report the incident to UT Martin and/or to law enforcement.⁵

This policy describes two options for reporting Prohibited Conduct:

1. Report Prohibited Conduct to a UT Martin “Mandatory Reporter” (described in **Section 3.1**); and/or
2. Report Prohibited Conduct to the UT Martin Department of Public Safety or local law enforcement (described in **Section 3.2**).

Those options are not mutually exclusive; in other words, a Complainant may pursue one or both of those options. This policy describes both options in detail so that members of the UT Martin community can make informed choices about whether and how to report Prohibited Conduct.

3.1 REPORTING PROHIBITED CONDUCT TO A UT MARTIN MANDATORY REPORTER

Complainants⁶ are not required to report Prohibited Conduct to UT Martin if they do not want UT Martin to respond to the incident or assist with Interim Measures. However, reporting a violation of this policy to UT Martin empowers Complainants to obtain the support they need and enables UT Martin to respond appropriately, including conducting a prompt, thorough, and equitable investigation and, if warranted, taking disciplinary action against a **Respondent**. **If a person reports an incident of Prohibited Conduct to UT Martin, there is no requirement that the Complainant pursue criminal prosecution or UT Martin discipline against a Respondent.** UT Martin recognizes that a Complainant’s decision on how to proceed after a report is filed is a process that may unfold over time; thus, at the time a report is made to UT Martin, a Complainant does not have to decide whether to request any particular course of action.

This policy requires certain UT Martin employees, called Mandatory Reporters, to report information they receive concerning Prohibited Conduct to UT Martin in accordance with Section 6. Not all UT Martin employees are Mandatory Reporters.⁷ Some UT Martin employees are encouraged but are not obligated to disclose Prohibited Conduct to UT Martin. Other UT Martin employees, called **Confidential Employees (Section 4.1.1)**, are legally or ethically prohibited from disclosing Prohibited Conduct to UT Martin.

⁵ Mandatory Reporters are required to report information they receive about Prohibited Conduct. The University strongly encourages employees and students who are not Mandatory Reporters to report information about Prohibited Conduct to one of the reporting options described in **Section 3.1** or **Section 3.2**.

⁶ The reporting options in this section also are available to a Reporter who is not a Complainant.

⁷ However, all employees are required to report suspected child abuse or child sexual abuse (**Section 7.1**).

The only way for a Complainant (or any other person) to provide notice to UT Martin of an incident of Prohibited Conduct is to report the incident to a Mandatory Reporter. A Complainant may opt to report an incident of Prohibited Conduct to a Mandatory Reporter but decline to disclose the identity of the Respondent; in that case, the University will offer Interim Measures to the Complainant, but UT Martin's ability to investigate the incident and pursue disciplinary action against the Respondent or take other remedial action will be limited. If an incident is not reported to a Mandatory Reporter, then UT Martin will not be able to take steps to: identify resources for the Complainant, such as Interim Measures; or promptly, thoroughly, and equitably investigate the incident and/or resolve the situation in order to eliminate the Prohibited Conduct, prevent its recurrence, and address its effects on the Complainant or the UT Martin community. Because Prohibited Conduct often involves behaviors or interactions that are not witnessed by third parties, reports of Prohibited Conduct cannot always be corroborated by additional evidence. However, UT Martin encourages Complainants to not allow the lack of such evidence to dissuade them from reporting Prohibited Conduct to a Mandatory Reporter.

Because Mandatory Reporters have an obligation to report information they receive about Prohibited Conduct (and take other responsive actions), one of the purposes of this **Section 3.1** is to inform students, employees and other persons about which UT Martin employees are Mandatory Reporters so that students, employees and other persons can make informed decisions about whether to disclose information to those UT Martin employees. Whether an employee is a Mandatory Reporter will vary based on factors such as the status of the Complainant and the Respondent (i.e., whether they are students, employees, and/or persons who are neither students nor employees) and the employee's authority to address violations of this policy. **Appendix B and Appendix C identify UT Martin's Mandatory Reporters.** Questions concerning whether a particular employee is a Mandatory Reporter should be directed to the Title IX Coordinator.

Mandatory Reporters are not confidential UT Martin resources like the Confidential Employees identified in Section 4.1.1. Nevertheless, information communicated to a Mandatory Reporter will initially be shared only within the limited circle of those UT Martin employees whom UT Martin reasonably needs to involve in UT Martin's response to an incident of Prohibited Conduct, except as required by law (**Section 3.3**) and subject to the University granting a Complainant's Request for Limited Action (**Section 3.1.5**). Information about the report may need to be shared with the Respondent and witnesses in order to ensure a thorough investigation of the incident. However, information will not be shared with the Respondent or witnesses if the University grants a Complainant's Request for Limited Action (**Section 3.1.5**). In accordance with FERPA, Mandatory Reporters who are not employees of the UT Martin Department of Public Safety will not share personally identifiable information with a law enforcement agency without a Complainant's written consent or unless required or permitted by law.

An employee-Complainant's report of Prohibited Conduct that alleges Sex Discrimination committed by an employee-Respondent generally must be filed within 300 days of the alleged discriminatory action. In certain circumstances, however, at the discretion of the Title IX Coordinator, a report communicated to UT Martin outside of that time limit may be investigated. UT Martin does not limit the time frame for reporting an incident of Prohibited Conduct committed by a Respondent who is not an employee, although a delay in reporting may impact UT Martin's ability to: obtain evidence (e.g., evidence erodes; memories fade); conduct

a prompt, thorough, and equitable investigation; and/or otherwise respond and take appropriate action (e.g., the Respondent may no longer be affiliated with the University).

The following are **not** considered notice to UT Martin about Prohibited Conduct for purposes of triggering a UT Martin obligation to investigate or otherwise respond to a particular incident (e.g., to provide Interim Measures to a Complainant):

- Prohibited Conduct disclosed to a **Confidential Employee (Section 4.1)**;
- Prohibited Conduct disclosed by students or employees **during public awareness events such as “Take Back the Night,” candlelight vigils, protests, “survivor speak outs” or other forums.** Such events may, however, inform the need for campus-wide education and prevention efforts, and the University may provide information about Title IX rights at those events.
- Prohibited Conduct disclosed by a UT Martin student **during such student’s participation as a subject in an Institutional Review Board-approved human subjects research protocol.**
- Prohibited Conduct disclosed by a UT Martin student **in writing in a class paper or other academic assignment.**

3.1.1 Mandatory Reporters When the Complainant is a Student

This Section 3.1.1 describes the non-law enforcement options for a Complainant who is a UT Martin student to report Prohibited Conduct to UT Martin.

A Complainant who is a student is encouraged to report Prohibited Conduct to the **Title IX Coordinator or to the Office of Student Conduct (731-881-7703)**. A Complainant who is a student may also report Prohibited Conduct to one of UT Martin’s other non-law enforcement Mandatory Reporters, who are identified in **Appendix B**.

3.1.2 Mandatory Reporters When the Complainant is an Employee

This Section 3.1.2 describes the non-law enforcement options for a Complainant who is a UT Martin employee to report Prohibited Conduct to UT Martin.

A Complainant who is a UT Martin employee is encouraged to report Prohibited Conduct to one of the following UT Martin employees, who are Mandatory Reporters:

- **Title IX Coordinator or the Office of Equity & Diversity (Section 1.3)**
- **The Director of Human Resources**
- **The immediate supervisor of the Complainant**
- **The immediate supervisor of the Respondent (if the Respondent is a UT Martin employee)**

A Complainant who is a UT Martin employee may also report Prohibited Conduct to one of UT Martin's other non-law enforcement Mandatory Reporters, who are identified in **Appendix C**.

Questions about how to contact any of the individuals identified above may be directed to the Title IX Coordinator.

3.1.3 Reporting Options for a Complainant Who is Neither a Student Nor an Employee

The **Title IX Coordinator** (the Office of Equity & Diversity) is the only non-law enforcement option for a **Complainant** who is neither a UT Martin student nor a UT Martin employee to report a violation of this policy to UT Martin.

3.1.4 What to Expect after Reporting Prohibited Conduct to a Mandatory Reporter

After receiving a report of Prohibited Conduct (either directly from a Reporter or indirectly from a Mandatory Reporter), the Title IX Coordinator or the Office of Student Conduct will initiate immediate and appropriate steps by UT Martin to: have an appropriate UT Martin employee offer to meet with, or otherwise communicate with, the Complainant; in cases of Sexual Assault, Relationship Violence, or Stalking, provide a Complainant with a copy of this policy and/or another written publication approved by the Title IX Coordinator to inform the Complainant of the Complainant's rights under this policy (if that has not already been done by a Mandatory Reporter), which will include notification about options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures; evaluate whether Interim Measures need to be implemented and assist with the implementation of Interim Measures; and, subject to a Complainant's Request for Limited Action (**Section 3.1.5**), initiate the investigation and resolution procedures outlined in **Section 5** of this policy if, based on an initial assessment, the alleged conduct meets the definition of Prohibited Conduct and falls within the scope and applicability of this policy (**Section 1.2**). The Title IX Coordinator also can assist a Complainant in reporting the incident to law enforcement.

3.1.5 Complainant's Right to Make a Request for Limited Action

A Complainant has the right to make the following requests to UT Martin when a Complainant discloses an incident of Prohibited Conduct to a Mandatory Reporter:

- Request that the Complainant's name not be disclosed to the Respondent; and/or
- Request that UT Martin not investigate the incident further or pursue disciplinary action against the Respondent.

Such a request is referred to in this policy as a "**Request for Limited Action.**" The Title IX Coordinator will evaluate a Request for Limited Action. If the Complainant makes a Request for Limited Action, the University will seriously weigh the request against UT Martin's obligation to provide a safe, non-discriminatory environment for all members of the UT Martin community, including the Complainant. If UT Martin honors the Request for Limited Action, then UT Martin's ability to respond fully to the incident (e.g., meaningfully investigate the incident and pursue disciplinary action against the Respondent or take other remedial action) may be limited.

There are limited circumstances in which UT Martin may not be able to grant a Request for Limited Action in order to provide a safe, non-discriminatory environment. For example, if UT Martin has credible information that the Respondent has committed one or more other acts of Prohibited Conduct, then the balance of factors might compel UT Martin to investigate the allegation, and, if appropriate, pursue disciplinary action in a manner that may make known the Complainant's identity to the Respondent.

When evaluating a Request for Limited Action, UT Martin will consider a range of factors, including, without limitation, the following factors:

- The risk that the Respondent will commit additional acts of Prohibited Conduct, such as:
 - Whether there have been other Prohibited Conduct reports concerning the same Respondent;
 - Whether the Respondent has a history of Prohibited Conduct;
 - Whether the Respondent threatened further Prohibited Conduct or other misconduct against the Complainant or others; and
 - Whether the Prohibited Conduct was committed by multiple perpetrators;
- The nature and scope of the Prohibited Conduct, including whether the Prohibited Conduct was perpetrated with a weapon;
- The ages and roles of the Complainant and the Respondent;
- Whether UT Martin can pursue the investigation without the participation of the Complainant (e.g., whether there are other available means to obtain relevant evidence of the Prohibited Conduct such as security cameras or physical evidence);
- Whether the Complainant's report reveals a pattern of perpetration (e.g., perpetration involving illicit use of drugs or alcohol) at a given location or by a particular group; and
- UT Martin's commitment to providing a safe, non-discriminatory environment, including the risk posted to any individual or to the campus community by not proceeding with an investigation.

The presence of one or more of those factors could lead UT Martin to deny the Request for Limited Action. If UT Martin determines that it can grant a Request for Limited Action, then UT Martin will take reasonable steps to respond to the report consistent with the Request for Limited Action and will take prompt actions that UT Martin determines are necessary to protect and assist the Complainant while not disclosing the Complainant's identity to the Respondent (e.g., providing the Complainant with Interim Measures).

If UT Martin determines that it cannot grant the Request for Limited Action, then UT Martin will inform the Complainant prior to starting an investigation and will, to the extent possible and unless otherwise required by law, only share information with people responsible for handling UT Martin's response. If UT Martin determines that it must disclose the Complainant's identity to the Respondent, then UT Martin will inform the Complainant of that determination prior to the disclosure. UT Martin will honor a request by the Complainant that UT Martin inform the Respondent that the Complainant asked UT Martin not to investigate or seek discipline. UT Martin will take ongoing steps that it determines are reasonable and appropriate to protect the Complainant from Retaliation or harm and may work with the Complainant to create a safety plan. Retaliation against the Complainant, whether by students or UT Martin employees, will not be tolerated. UT Martin will also assist the Complainant to access the support resources identified in **Section 4**, including

Interim Measures, and inform the Complainant of the right to report a crime to campus or local law enforcement (and provide the Complainant with assistance in reporting if the Complainant requests it).

Because UT Martin is under a continuing obligation to address the issues of Prohibited Conduct campus-wide, reports of Prohibited Conduct (including non-identifying reports) may also prompt UT Martin to consider broader remedial action – such as increased monitoring, supervision or security at locations where the reported Prohibited Conduct occurred; increasing education and prevention efforts, including to targeted population groups; conducting additional climate assessments/victimization surveys; and/or revisiting its policies and practices.

3.1.6 Complainant’s Participation in an Investigation or Disciplinary Proceeding

UT Martin will not require a Complainant to participate in any investigation, or a hearing before a disciplinary hearing board. However, a Complainant may be required to participate in a UAPA Hearing if the Complainant receives a subpoena.

3.1.7 Amnesty for Students Who Report Prohibited Conduct to UT Martin⁸

UT Martin recognizes that a student who is under the influence of alcohol and/or drugs at the time of an incident may be hesitant to report an incident to UT Martin because of a fear of UT Martin disciplinary sanctions for student’s own violation of the Standards of Conduct. Because of the importance to UT Martin of responding to incidents of Prohibited Conduct, a student who reports Prohibited Conduct to UT Martin or testifies or provides information in a UT Martin investigation into alleged Prohibited Conduct will not be subject to disciplinary action by UT Martin for personal consumption of alcohol or other drugs, or minor offenses, at or near the time of the reported incident, but may be responsible for other, more serious conduct that harmed or placed the health or safety of any other person at risk. The University may, however, initiate an educational discussion or pursue other educational remedies with the student regarding alcohol or drugs.

3.2 REPORTING TO LAW ENFORCEMENT

Prohibited Conduct may constitute both a violation of this policy and criminal law. Therefore, UT Martin encourages persons to report incidents of Prohibited Conduct to law enforcement. Prompt reporting of an incident to law enforcement is especially critical for incidents of Sexual Assault and Relationship Violence because the collection and preservation of evidence relating to Sexual Assault and Relationship Violence often is essential for law enforcement investigations and criminal prosecutions.

A Complainant has the right to decline to report the incident to law enforcement. Even if a Complainant does not report the incident to law enforcement, the Complainant may still request Interim Measures from UT Martin by reporting the incident to the Title IX Coordinator or another Mandatory Reporter.

3.2.1 Contact Information for Campus and Local Law Enforcement

⁸ This Section 3.1.6 does not apply to reports to the UT Martin Department of Safety. The amnesty provision in this Section 3.1.6 applies only to discipline for violations of the University’s Code of Conduct.

The following options are available 24 hours, seven days a week, for reporting an incident of Prohibited Conduct to law enforcement:

INCIDENT LOCATION	CONTACT
Regardless of where the incident occurred	Call 911 in an emergency or Department of Public Safety 159 Crisp Hall (215 Hurt Street) 731-881-7777 (24 hours a day, 365 days a year) http://www.utm.edu/departments/publicsafety/
In the City of Martin	Martin Police Department 101 University Street Martin TN 38237 731-587-5355 (non-emergencies) or 911 (emergencies) http://martindps.org/police/ or Department of Public Safety
In Weakley County but outside of the City of Martin	Weakley County Sheriff's Department 7951 Highway 22 Dresden, TN 731-364-5454 (non-emergencies) 731-364-5454 (emergencies) http://www.weakleycountyttn.gov/sheriff.html or Department of Public Safety
Outside of Weakley County	Contact the law enforcement agency that has jurisdiction over the location where the incident occurred or Contact the Department of Public Safety for assistance in contacting another jurisdiction's law enforcement agency

Upon the Complainant's request, the Title IX Coordinator will assist a Complainant in contacting the Department of Public Safety or another appropriate local law enforcement agency.

Employees of the UT Martin Department of Public Safety are also Mandatory Reporters for reports received in a law enforcement capacity. Accordingly, if a person reports an incident to the Department of Public Safety, and the incident has not been previously reported to a Mandatory Reporter outside of the Department of

Public Safety, then the Department of Public Safety will contact the Title IX Coordinator. Then, the Title IX Coordinator will contact the Complainant regarding UT Martin's response to the report (**Section 3.1.4**). In contrast, if a Complainant reports the incident to a law enforcement agency other than the Department of Public Safety, then the Complainant also will need to report the incident to a Mandatory Reporter if the Complainant wants UT Martin to take any action under this policy.

3.2.2 What to Expect after Reporting Prohibited Conduct to Law Enforcement

Even if the Complainant is unsure whether to pursue criminal prosecution or an order of protection, UT Martin recommends that the Complainant report the incident to law enforcement as soon as possible. In most cases, after addressing a Complainant's immediate safety needs and/or needs for medical care, a law enforcement officer will meet with the Complainant and take a statement about what occurred. In cases of Sexual Assault and Relationship Violence, in addition to taking a statement, the law enforcement officer may ask to examine the scene of the incident and collect bedding, clothing, or other items of evidentiary value. A Department of Public Safety law enforcement officer also will conduct a thorough interview to record as many details as possible and as precisely as possible. The law enforcement interview may take as long as several hours, depending on the circumstances of the case. Due to the traumatic effect of sexual assaults on survivors, multiple interviews may be required to get all of the pertinent details of the assault.

If law enforcement determines that a crime occurred after concluding its investigation, then law enforcement will refer the matter to the district attorney. **The district attorney will decide whether to pursue criminal prosecution; however, it is unusual for cases to proceed without the cooperation of the Complainant. Reporting the incident to law enforcement does not obligate the Complainant to cooperate with the district attorney's criminal prosecution.** If criminal prosecution is pursued, however, the likelihood of success will be much higher if the Complainant reported and allowed evidence to be collected immediately after the incident of Prohibited Conduct.

3.2.3 How UT Martin Policies/Procedures Relate to Criminal Law/Procedures

UT Martin will cooperate with law enforcement agencies if a Complainant decides to pursue the criminal process, to the extent permitted by law. However, this policy may differ in significant respects from criminal law. A Complainant may seek resolution through UT Martin's procedures outlined in this policy, may pursue criminal action, may choose one but not the other, may choose both, or may choose neither. Neither law enforcement's determination whether to prosecute a Respondent nor the outcome of any criminal prosecution is determinative of whether Prohibited Conduct occurred in violation of this policy. Procedures under this policy may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus. UT Martin normally does not wait until a criminal investigation or proceeding is concluded before conducting its own investigation, implementing Interim Measures, and/or taking other appropriate action. Although UT Martin may need to delay temporarily the fact-finding portion of its investigation while law enforcement is gathering evidence, UT Martin will take Interim Measures to support the Complainant during such a delay. Decisions made or sanctions imposed by UT Martin are not based on a result of criminal or civil charges against a Respondent arising from the same incident being dismissed, reduced, rejected, sustained, or not prosecuted; however, a Respondent's plea or a finding against a Respondent in a criminal or civil proceeding may, at UT Martin's discretion, be used by UT Martin in a UT Martin disciplinary proceeding.

3.2.4 Anonymous Reporting to Law Enforcement

Persons may report Sexual Misconduct or Relationship Violence anonymously to the Department of Public Safety online at <http://crime.utm.edu/>. The Department of Public Safety generally will respond as described in **Section 3.2**. The amount and level of detail of the information provided to the Department of Public Safety will affect how thoroughly the Department of Public Safety is able to respond to the report.

Reporting a crime anonymously online is not an alternative to calling 911; in an emergency, call 911.

3.3 UT MARTIN'S DISCLOSURE OBLIGATIONS UNDER FEDERAL AND TENNESSEE LAW RELATING TO REPORTS OF PROHIBITED CONDUCT

3.3.1 Clery Act

Certain UT Martin employees, called Campus Security Authorities, have a duty to report certain incidents of Prohibited Conduct to the Department of Public Safety to comply with the Clery Act. Campus Security Authorities are not required to report personally identifiable information to the Department of Public Safety for Clery Act purposes, but statistical information must be sent to the Department of Public Safety regarding the type of incident that occurred and its general location (e.g., on or off-campus) for publication in an annual report of crime statistics, called the Annual Security Report. Statistics published in the Annual Security Report help to provide the campus community with a clearer picture of the extent and nature of campus crime, **but the statistics do not personally identify Complainants or Respondents**. In addition to the Annual Security Report and in compliance with the Clery Act, the Department of Public Safety maintains a daily crime log that includes entries for all crimes and alleged crimes that occurred within the University's Clery Geography or the patrol jurisdiction of the Department of Public Safety. The crime log does not include personally identifying information about the Complainant or the Respondent.

Complainants of Prohibited Conduct also should be aware that the Clery Act requires UT Martin to issue timely warnings for crimes reported to the Department of Public Safety or Campus Security Authorities that pose a substantial threat of bodily harm or danger to members of the campus community. UT Martin will undertake reasonable efforts to avoid disclosing a Complainant's name and other identifying information, while still providing enough information for community members to make safety decisions in light of the potential danger.

3.3.2 FERPA

In accordance with FERPA, personally identifiable information about a Complainant, Respondent, or Reporter who is a student that has been communicated to a Mandatory Reporter regarding Prohibited Conduct will be shared within UT Martin only with the Title IX Coordinator and those UT Martin employees who "need to know" in order to assist with UT Martin's response to the Prohibited Conduct. Personally identifiable information concerning a Complainant, Respondent, or Reporter who is a student will not be disclosed by UT Martin to third parties unaffiliated with UT Martin without the consent of the student except

in response to a lawfully issued subpoena, court order, or as otherwise required or allowed by law (see, e.g., **Section 3.3.3** relating to the Tennessee Public Records Act) If, during a UT Martin’s investigation or resolution of Prohibited Conduct, a Respondent who is a student makes a request to review documents concerning the investigation, UT Martin will be required by FERPA to grant the Respondent’s request to inspect and review records that relate specifically to the Respondent, but UT Martin will redact the Complainant’s name and any other identifying information to the maximum extent allowed by law.

3.3.3 Tennessee Public Records Act

Incident reports prepared by the Department of Public Safety for law enforcement purposes are generally considered public records under the Tennessee Public Records Act (Tennessee Code Annotated § 10-7-503 *et seq.*) and are not protected by FERPA, which means UT Martin is obligated by law to make them available to any Tennessee citizen upon request unless the report is part of an ongoing criminal investigation. Local law enforcement agencies may also be required to make their records available under similar circumstances. In addition, investigative reports prepared by other UT Martin officials (e.g., the Office of Equity & Diversity) that do not contain personally identifiable student information also are generally considered public records under the Tennessee Public Records Act.

3.3.4 Robert (Robbie) Nottingham Campus Crime Scene Investigation Act

The Robert (Robbie) Nottingham Campus Crime Scene Investigation Act (Nottingham Act), Tennessee Code Annotated § 49-7-129, requires the Department of Public Safety to notify the Martin Police Department upon the Department of Public Safety’s receipt of a report from a victim alleging that any degree of rape has occurred on UT Martin property. The Nottingham Act requires the Department of Public Safety and the Martin Police Department to participate in a joint investigation of the rape, with the Department of Public Safety leading the investigation.

The Nottingham Act also requires sexual assault programs and services on campus to report annually to the Department of Public Safety the number of requests for assistance received from persons who were raped on or in the vicinity of campus during the preceding calendar year. Personally identifiable information is not provided to the Department of Public Safety in connection with that report.

3.3.5 Due Process

After UT Martin has formally accused a Respondent of violating this policy, the Respondent may have a constitutionally-protected due process right to be informed of the nature of the allegations, including the identity of the Complainant.

3.4 FALSE REPORTING

An accusation of Prohibited Conduct may have severe consequences for a Respondent. A Reporter who makes a report that is later found to have been intentionally false or made maliciously without regard for truth may be subject to disciplinary action, up to and including termination of employment or dismissal from UT Martin. This provision does not apply to reports made in Good Faith (as defined in **Section 2.2**), even if

the results of an investigation of the incident do not include a finding of a policy violation by a Preponderance of the Evidence. Similarly, a Respondent or other person who is later proven to have intentionally given false information during the course of a UT Martin investigation or disciplinary proceeding action may be subject to disciplinary action, up to and including termination of employment or dismissal from UT Martin.

SECTION 4 CARE AND SUPPORT⁹

This section of the policy outlines a variety of UT Martin and external resources and measures relating to Prohibited Conduct. In addition to the information provided in this section, information concerning options for Complainants following a Sexual Assault can be found at: <http://rainn.org/get-information/sexual-assault-recovery>.

4.1 CONFIDENTIAL RESOURCES

The persons identified below are able to keep information communicated to them by a Complainant completely confidential and will not communicate such information to UT Martin, law enforcement, or any other third party, unless required by law in the limited circumstances described in **Appendix D**.

Information communicated to a person identified as a confidential resource in this Section 4.1 does not constitute notice or a report to UT Martin of an incident of Prohibited Conduct. In other words, a disclosure of Prohibited Conduct to a person identified in this Section 4.1 (including a person supervised by them (e.g., assistants, and front-desk staff)) will not trigger a University response to an incident because the people identified in this Section 4.1 are not Mandatory Reporters and do not report any information about an incident to the Title IX Coordinator, a Mandatory Reporter, or the Department of Public Safety without the Complainant's permission. As a result, UT Martin will be unable to investigate the incident or pursue disciplinary action against the Respondent. If Prohibited Conduct is disclosed only to a University Confidential Employee, UT Martin may be limited in its ability to provide Interim Measures to the Complainant depending on how much information the Complainant is willing to share with UT Martin.

The persons identified in **Section 4.1.1** can, however, help a Complainant explore options, provide information, including information on Interim Measures, and provide emotional support. A Complainant who at first requests confidentiality may later decide to report the incident to UT Martin and/or to law enforcement and have the incident fully investigated. The persons identified in **Section 4.1.1** can provide the Complainant with assistance in making such reports if the Complainant asks them to do so.

Complainants may pursue the communication options outlined in this Section 4.1 regardless of whether or not they choose to report the incident to UT Martin or law enforcement. In other words, the resources described in this policy are not mutually exclusive.

⁹ The annual publication of this policy to students and employees serves as the University's written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for Complainants, both within the University and in the community.

4.1.1 UT Martin “Confidential Employees”

If a Complainant does not desire action by UT Martin and would like the details of the incident to be kept confidential, but desires to confide in someone, the Complainant may speak with one of the following persons, who are called “**Confidential Employees**” for purposes of this policy:

In cases of Sexual Assault, it is important for a Complainant to seek immediate medical attention to determine the presence of physical injury, address pregnancy concerns, determine the possibility of exposure to sexually transmitted diseases, and, if the Complainant later decides to pursue legal options, to obtain evidence to assist in criminal prosecution, a civil action, or in obtaining a civil protection order. **According to sexual assault nurse examiners, the key to success in collecting physical evidence of a Sexual Assault is to collect the evidence as soon as possible after a Sexual Assault (ideally within 24 hours of a Sexual Assault but no later than 72 hours after a Sexual Assault).** Prior to seeking medical care, Complainants of Sexual Assault, when possible, should avoid changing their clothing, bathing, showering, using a douche, using the bathroom, brushing their teeth, drinking liquids, washing their hands or face, or combing their hair. If Complainants change their clothes, then the best way to preserve evidence relating to clothing is to put the clothing in a paper (not plastic) bag.

The collection of evidence for use in a criminal prosecution or an order of protection hearing relating to Sexual Assault can only be performed by trained personnel at a hospital emergency room; physical examinations by other healthcare providers are likely to impede potential future legal remedies. In cases of Sexual Assault, a medical professional usually will: examine the Complainant; provide appropriate medical treatment; collect evidence of the assault, such as hairs, fluids, and fibers; and, if applicable, talk with the Complainant about the prevention of venereal disease and pregnancy. A medical examination preserves evidence for forensic analysis in the event that a Complainant wishes to pursue a criminal prosecution or an order of protection. The medical examination likely will be performed by a sexual assault nurse examiner, a nurse who is specially trained to collect evidence in cases of Sexual Assault.

If the Complainant chooses not to report the incident to law enforcement at the time of the medical examination, the medical provider will provide the examination materials to local law enforcement with a unique identifying number that will also be provided to the Complainant. The law enforcement agency with jurisdiction will store the examination materials for up to three (3) years. If in that time the Complainant decides to make a police report, the Complainant may report to the law enforcement agency with jurisdiction and refer to the unique identifying number so that the Complainant's examination materials may be matched with the Complainant's law enforcement report for evidentiary purposes.

4.4 INTERIM MEASURES

After a Mandatory Reporter receives a report of Prohibited Conduct, UT Martin will implement Interim Measures designed to eliminate the reported Prohibited Conduct and protect the persons involved in the matter (e.g., Complainant, Reporter, Respondent, and potential witnesses).

4.4.1 Availability of Interim Measures

Interim Measures are available:

- Even if the Complainant does not want to report the incident to law enforcement;
- Even if the Complainant has made a Request for Limited Action and UT Martin has granted the Request for Limited Action (**Section 3.1.5**). (UT Martin may be able to take measures to protect the Complainant while keeping the identity of the Complainant confidential, such as: providing support services to the Complainant; changing living arrangements or course schedules, assignments, or tests; and providing increased monitoring, supervision, or security at locations or activities where the Prohibited Conduct occurred);
- Prior to or during an investigation of Prohibited Conduct; and
- Prior to a final determination that Prohibited Conduct occurred.

4.4.2 Examples of Interim Measures

The following are examples of Interim Measures:

- Informing the Complainant of the Complainant's rights under UT Martin's procedures for complaints against students or procedures for complaints against employees or other non-students;
- Informing the Complainant of the Complainant's right to report the incident to law enforcement for criminal investigation and prosecution and assisting the Complainant in reporting an incident to law enforcement, if the Complainant wants to report the incident;
- Issuing a no-contact directive, which prohibits the person (e.g., the Respondent) from having verbal, physical, or written contact with another person (e.g., the Complainant) for a definite or indefinite period of time (no-contact directives may be mutual, e.g., the Complainant may also receive a directive to not contact the Respondent);
- Issuing an interim suspension to the Respondent (if a student) prior to the conclusion of the investigation and resolution of a complaint of Prohibited Conduct (an interim suspension may be issued when the Vice Chancellor for Student Life (or designee) has reasonable cause to believe that a student's or student organization's continued presence on University-controlled property or at University-affiliated activities poses a significant risk of substantial harm to the health or safety of others or to property or poses an ongoing threat to the disruption of, or interference with, the normal operations of UT Martin);
- Putting a Respondent (if an employee) on leave, in accordance with other applicable University policies, prior to the conclusion of the investigation and resolution of a report of Prohibited Conduct;
- Providing medical and counseling services to a Complainant who is a student;

- Exploring changes in living, transportation, dining, and working arrangements for the Complainant and the Respondent;
- Providing an escort to ensure that a Complainant who is a student can move safely between classes and activities;
- Arranging appointments for a Complainant with follow-up on-campus support services (if a student) or off-campus support services, such as those identified in this Section 4 (e.g., arranging an appointment with West Tennessee Legal Services to discuss options for pursuing an order of protection);
- Exploring changes in class and extracurricular schedules, including adjustments so that the Complainant and the Respondent do not share the same classes (if both the Complainant and the Respondent are students);
- Assisting the Complainant in communicating with faculty (for Complainants who are students);
- Reviewing any disciplinary action(s) taken against the Complainant to see if there is a causal connection between the Respondent's misconduct and the misconduct that may have resulted in the Complainant being disciplined;
- Providing academic support for the Complainant, including tutoring (for Complainants who are students); and
- Exploring the options of re-taking a course, dropping a course, or withdrawing for a semester without financial or academic penalty (for students).

4.4.3 Determination of Interim Measures

The specific Interim Measures implemented and the process for implementing those measures will vary depending on the facts of each case and the student or employee status of the Complainant and the Respondent. The Title IX Coordinator, in consultation as needed with other appropriate University employees (e.g., an employee who would be involved in implementing the Interim Measure being considered), will consider a number of factors in determining what Interim Measures UT Martin will take, including, for example: the specific desire(s) expressed by the person who will benefit from the Interim Measures (e.g., the Complainant); whether the Complainant has made a Request for Limited Action (**Section 3.1.5**); the age of the persons involved; the severity or pervasiveness of the allegations; any continuing effects on the Complainant; whether the Complainant and Respondent share the same residence hall, dining hall, classes, extracurricular activities, transportation, or job location; and whether judicial measures have been taken to protect the Complainant (e.g., civil protection orders). In implementing Interim Measures, UT Martin attempts to minimize the burden on the Complainant while balancing the due process rights, if any, of the Respondent.

4.4.4 Subsequent Communications with UT Martin Concerning Interim Measures

UT Martin will strive to maintain consistent contact with the Complainant and the Respondent to ensure that all safety, emotional, and physical well-being concerns are being addressed. Persons are encouraged to report to the Title IX Coordinator concerns about the failure of another person to abide by the terms of an Interim Measure. UT Martin will take immediate and responsive action to enforce a previously implemented Interim Measure and violations will be addressed by the appropriate office.

4.5 ORDERS OF PROTECTION AND OTHER LEGAL REMEDIES

For assistance in pursuing orders of protection and other legal remedies, a Complainant may contact:

West Tennessee Legal Services
210 W. Main Street
Jackson, TN
731-423-0616 or 800-372-8346
<http://www.wtls.org/>
wtls@wtls.org

The Title IX Coordinator or the Department of Public Safety can assist a Complainant with arranging an appointment with the West Tennessee Legal Services to discuss options for pursuing an order of protection and other legal remedies.

The Tennessee Coalition to End Domestic and Sexual Violence provides information about orders of protection on its website: www.tncoalition.org/documents/orders-of-protection-%28under-faq%29.pdf

4.6 VICTIM ADVOCACY SERVICES AND PRIVATE LEGAL ASSISTANCE

The University does not provide advocacy services or private legal assistance to Complainants or Respondents. The American Bar Association provides information on finding legal services by state: apps.americanbar.org/legalservices/findlegalhelp/home.cfm.

4.7 VISA AND IMMIGRATION ASSISTANCE

Under the law, international students and employees who are Complainants receive the same rights under Title IX and the Clery Act as other Complainants, regardless of their immigration and visa status. For victims of Sexual Assault, Relationship Violence, and Stalking, there may be other visa options, including U and T Visas.

UT Martin's Center for International Education can provide useful information regarding immigration status, although the office does not provide legal advice:

Center for International Education
124 Gooch Hall
Martin, TN 38238
Phone: 731-881-1023
<https://www.utm.edu/departments/cie/>

International students and employees with questions about their immigration and visa status should seek the assistance of an immigration attorney. Immigration lawyers are licensed attorneys who specialize in the field of immigration law. They function as the client's advocate, and can represent them before immigration agencies, both in immigration court as well as in filing applications for immigration benefits. The attorney can give general advice and can discuss immigration options. Like all attorneys, immigration attorneys are bound by professional ethical and legal requirements to keep client discussions confidential.

U.S. Citizenship and Immigration Services (USCIS) (www.uscis.gov/about-us/find-uscis-office), a bureau of the Department of Homeland Security (DHS), offers two sites to help individuals find free or low-cost legal representation:

USCIS Find Help in your Community Webpage: www.uscis.gov/citizenship/learners/find-help-your-community

USCIS Find Legal Services Webpage: www.uscis.gov/avoid-scams/find-legal-services

The Board of Immigration Appeals (www.justice.gov/eoir/board-of-immigration-appeals) provides a listing of attorneys by state who provide immigration services either for free or for little cost: www.justice.gov/eoir/list-pro-bono-legal-service-providers-map.

The American Immigration Lawyers Association (www.aila.org/) offers an online immigration lawyer referral service (www.ailalawyer.org/) that can help a student or employee find an immigration lawyer.

The American Bar Association also provides information on finding legal services by state: apps.americanbar.org/legalservices/findlegalhelp/home.cfm.

4.8 STUDENT FINANCIAL AID

Complainants or Respondents who need assistance with financial aid issues may contact the Title IX Coordinator or the Financial Aid and Scholarships Office (<https://www.utm.edu/departments/finaid/>).

SECTION 5
UNIVERSITY PROCEDURES FOR INVESTIGATING AND
RESOLVING REPORTS OF PROHIBITED CONDUCT

5.1 SUMMARY OF STUDENT AND EMPLOYEE PROCEDURES

UT Martin has specific procedures for investigating and resolving reports of Prohibited Conduct based on the relationship of the Respondent to UT Martin and the type of Prohibited Conduct that was reported.

- The procedures used to investigate and resolve Prohibited Conduct involving a Respondent who is a student as described in **Section 5.2** and **Section 5.4**.
- The procedures used to investigate and resolve Prohibited Conduct involving a Respondent who is an employee or other non-student generally depends on whether the incident allegedly involved non-Consensual physical contact with the Complainant.
 - A report involving Sexual Assault, a Sex Offense Crime, a Relationship Violence Crime, Dating Violence, Domestic Violence, or Stalking generally will be resolved in accordance with the procedures described in **Section 5.2** and **Section 5.3**.
 - A report of Sex Discrimination (e.g., Sexual Harassment) that does not involve Sexual Assault, a Sex Offense Crime, a Relationship Violence Crime, Dating Violence, Domestic Violence, or Stalking generally will be resolved by the Office of Equity & Diversity in accordance with UT Martin's Discrimination Complaint Procedure:
<http://www.utm.edu/departments/equalopp/complaintprocedure.php>.

Appendix E contains a chart that summarizes which complaint procedures will be used to resolve reports of Prohibited Conduct.

5.2 STANDARDS APPLICABLE TO ALL PROCEDURES

The standards in this Section 5.2 apply to all procedures under this policy (i.e., **Section 5.3** and **Section 5.4**) for investigating and resolving reports of Prohibited Conduct, regardless of whether the Complainant or Respondent is a UT Martin student, UT Martin employee, or a person who is neither a student nor an employee.

5.2.1 Determining the Appropriate Procedure

The appropriate UT Martin procedure for investigating and resolving reports of Prohibited Conduct generally is determined by whether the Respondent is a student, employee, or a person who is neither a student nor an employee. In all of the procedures described below, UT Martin is committed to providing a prompt, thorough, and equitable investigation and resolution. A UT Martin investigation may occur alongside, rather than in lieu of, a law enforcement investigation. UT Martin does not use mediation to resolve incidents of Sexual

Assault. The Title IX Coordinator will resolve issues regarding the appropriate investigatory and resolution procedure.

5.2.2 Selecting an Investigator

For each report of Prohibited Conduct to be investigated, UT Martin may select an investigator(s) of its choosing, provided that the investigator has specific training and experience investigating allegations of Prohibited Conduct. Any investigator(s) chosen to conduct the investigation must be impartial and free of any conflict of interest. The investigator(s) may be a University employee, a team of University employees, an external investigator(s) engaged to assist UT Martin, or a team of investigators that pairs an external investigator(s) with a University employee. Investigations of reports of Prohibited Conduct are usually performed by the Office of Equity and Diversity (if the Respondent is an employee or other non-student) or the Office of Student Conduct (if the Respondent is a student). A separate law enforcement investigation may be conducted by the Department of Public Safety.

5.2.3 Preponderance of the Evidence Standard

All investigations and proceedings, including disciplinary hearings, relating to Prohibited Conduct must be conducted using a Preponderance of the Evidence standard.

5.2.4 Advisors and Support Persons

Both the Complainant and the Respondent are entitled to bring a person of their choice to UT Martin meetings and hearings, but the person's role is limited to providing advice, guidance, and/or support for the Complainant or the Respondent, not acting as an advocate or participant (except in a UAPA Hearing, in which a Complainant and a Respondent are entitled to have an attorney advocate on their behalf).

5.2.5 Training

UT Martin employees and students participating in UT Martin investigations and disciplinary hearings involving Prohibited Conduct receive annual training on issues related to Prohibited Conduct and how to conduct an investigation and/or hearing in a way that protects the safety of the parties and promotes accountability.

5.2.6 Rights of the Complainant and the Respondent

In addition to rights for Complainants and Respondents described in other parts of this Section 5 and other sections of this policy, Complainants and Respondents have the following rights in cases involving Prohibited Conduct:

- Notice concerning the procedure by which UT Martin will handle the Complainant's report and an opportunity to ask questions about University policies and procedures;
- A prompt, thorough, and equitable investigation of the Complainant's report;

- The same opportunity as the other party to present an explanation of the facts during UT Martin's investigation;
- Notice of the outcome of UT Martin's investigation;
- Notice of the date, time, and location of a disciplinary hearing; the right to have a disciplinary hearing closed to the public if a hearing involves a student Complainant or Respondent; and the right to request rescheduling of a disciplinary hearing for good cause;
- The same access as the other party to any information or documents that will be used by UT Martin during a disciplinary hearing, unless prohibited by law;
- To challenge the seating of any UAPA Hearing administrative judge or hearing officer for good cause (determined at the discretion of the Chancellor/Agency Head); any member of a hearing board, panel, or committee for good cause (determined at the discretion of the chairperson of the hearing board, or, if the seating of the chairperson is challenged, then at the discretion of the majority of the hearing board; or any other hearing decision maker for good cause (determined at the discretion of UT Martin employee responsible for supervising the hearing board);
- The same opportunity as the other party to be present during a disciplinary hearing, present witnesses and other evidence, challenge the admissibility of evidence, and cross-examine adverse witnesses during the disciplinary hearing;
- To testify or remain silent in an investigation or disciplinary hearing;
- Not to be questioned directly by the other party during a disciplinary hearing or at any other time during UT Martin's investigation or resolution;
- To submit a written impact statement (Complainant) or a written mitigation statement (Respondent) to a hearing board, panel, or committee, or other hearing decision maker, for consideration during the sanctioning phase of a disciplinary hearing, if the Respondent is found responsible for the charges, or to the Office of Student Conduct or other administrator for consideration during the sanctioning phase of an administrative hearing, if the Respondent admits responsibility for the charges;
- To be provided with the same or equivalent rights as the other party to challenge or appeal the decision of a UT Martin investigation or disciplinary hearing panel, board, or other decision maker.

5.2.7 Notice to Complainants and Respondents

Unless prohibited by federal law, with respect to any UT Martin disciplinary hearing that arises from an allegation of Prohibited Conduct, UT Martin will provide simultaneous written notification to the Complainant and the Respondent of:

- The results of the hearing;
- UT Martin’s procedures for the Complainant and the Respondent to appeal the results of the UT Martin disciplinary hearing, if such procedures are available (any such procedures must be available to both the Complainant and the Respondent);
- Any change to the results of the hearing before the results are final; and
- When the results of the hearing become final.

For the purposes of this Section 5.2.7, “results” means any initial, interim, and final decision by any official or entity authorized to resolve disciplinary matters within UT Martin. The results include any sanctions imposed by UT Martin and include the rationale for the results.

Notice to the Complainant and the Respondent concerning other matters (e.g., appeals) must be provided in writing simultaneously to the Complainant and Respondent.

5.2.8 Time Frames

UT Martin will strive to meet the time frames described in this Section 5. In each case, however, UT Martin will balance the need to complete a prompt investigation and resolution with the need to conduct a thorough investigation and a resolution that complies with due process. Thus, the actual time to complete an investigation and resolution may require a reasonable adjustment of the time frames in this policy depending on many factors, including, without limitation: the complexity of the allegations; the complexity of the investigation and resolution; the severity and extent of the alleged misconduct; the number of parties, witnesses, and the types of other evidence (e.g., forensic evidence) involved; the availability of the parties, witnesses, and evidence (e.g., forensic evidence); a request by a Complainant to conduct an investigation or resolution at a slower pace; the effect of a concurrent criminal investigation; a request by a district attorney to delay interviewing a witness; a witness’ compliance with the instruction of a district attorney not to participate in a University investigation; any intervening University holidays, breaks, or other closures; and/or other unforeseen circumstances. In the event that the need arises to significantly adjust the time frames in this policy or those previously communicated to the Complainant and the Respondent for good cause, UT Martin will notify the Complainant and the Respondent in writing of the reason for the delay and the expected adjustment in time frames.

5.2.9 Prior Conduct, Including Sexual History

In general, neither the Complainant’s nor the Respondent’s prior sexual history is relevant to the issue of whether Prohibited Conduct occurred and will not be considered as evidence during an investigation or

hearing. However, when the Respondent contends that the Complainant gave Consent for a particular sexual act, the prior sexual history between the Complainant and the Respondent may be relevant to assess the manner and nature of communications between the parties. As noted in **Section 2.2**, however, the mere existence of a current or previous dating, romantic, intimate, or sexual relationship with the other person does not allow a Respondent to imply or infer Consent. The Complainant's and the Respondent's prior sexual history may also be relevant in other limited circumstances, such as to show intent, motive, absence of mistake, or to explain an injury or physical finding.

5.2.10 Prompt, Fair, and Impartial Proceedings

All activities related to a non-criminal resolution of a UT Martin disciplinary complaint, including, but not limited to, fact-finding investigations, formal or informal meetings, and hearings conducted by UT Martin under this policy must be prompt, fair, and impartial. Those activities must be conducted in a manner that: (1) is consistent with UT Martin's policies and transparent to the Complainant and the Respondent; (2) includes timely notice of meetings at which the Complainant or the Respondent, or both, may be present; and (3) provides timely access to the Complainant, the Respondent, and appropriate officials to any information that will be used after the fact-finding investigation but during informal and formal disciplinary meetings and hearings. Decision makers must not have a conflict of interest or bias for or against the Complainant or the Respondent.

5.2.11 Alternative Resolution

At any point during the investigation and resolution process, a report may be resolved through an alternative other than the procedures outlined in **Section 5.3** or **Section 5.4**. When an alternative resolution is proposed, the Title IX Coordinator will determine whether exploration of an alternative resolution is appropriate (including a determination whether the Complainant has been pressured by others to pursue alternative resolution). UT Martin will not use mediation to resolve reports of Sexual Assault. If exploration of an alternative resolution is appropriate, the Title IX Coordinator will serve as an impartial facilitator (or designate another trained employee to do so) so that the Complainant and the Respondent do not have direct contact (unless both parties consent to direct contact). UT Martin will not compel a Complainant or a Respondent to participate in an alternative resolution process. At any time during an alternative resolution process, either the Complainant or the Respondent may request that the process cease and the investigation and resolution process continue pursuant to **Section 5.3** or **Section 5.4**. The Title IX Coordinator will not approve an alternative resolution unless the Complainant and the Respondent agree to the alternative resolution. The Title IX Coordinator will ensure that any proposed alternative resolution is consistent with the University's Title IX obligations. If no alternative resolution is reached, then UT Martin will continue with the investigation and resolution process.

5.3 PROCEDURE FOR INVESTIGATING AND RESOLVING A REPORT INVOLVING A RESPONDENT WHO IS A UT MARTIN EMPLOYEE OR OTHER NON-STUDENT

This Section 5.3 describes procedures for investigating and resolving a report of Sexual Assault, Sex Offense Crimes, Relationship Violence, Stalking, or Retaliation involving a Respondent who is an employee or other non-student.

5.3.1 Meeting (Communication) with the Complainant

After receiving a report of Prohibited Conduct (either directly from a Reporter or indirectly from a Mandatory Reporter), the Title IX Coordinator will initiate immediate and appropriate steps by UT Martin to: have an appropriate University employee offer to meet with, or otherwise communicate with, the Complainant; in cases of Sexual Assault, Relationship Violence, or Stalking, provide a Complainant with a copy of this policy and/or another written publication approved by the Title IX Coordinator to inform the Complainant of the Complainant's rights under this policy (if that has not already been done by a Mandatory Reporter), which will include notification about options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures; evaluate whether Interim Measures need to be implemented and assist with the implementation of Interim Measures; and, subject to a Complainant's Request for Limited Action (**Section 3.1.5**), initiate the investigation and resolution procedures outlined in this Section 5 if, based on an initial assessment, the alleged conduct meets the definition of Prohibited Conduct and falls within the scope and applicability of this policy (**Section 1.2**). The Title IX Coordinator also can assist a Complainant in reporting the incident to law enforcement.

5.3.2 Investigation and Resolution

Unless UT Martin grants a Complainant's Request for Limited Action (**Section 3.1.5**) and decides not to further investigate a report of Prohibited Conduct, the Title IX Coordinator will designate one or more persons to investigate the report, which likely will be an employee in the Office of Equity and Diversity. The investigator selected by UT Martin will conduct the investigation in a manner appropriate in light of the circumstances of the case, which will typically include interviews with the Complainant, the Respondent, and any witnesses. As part of the investigation, UT Martin will provide an equal opportunity for the Complainant and the Respondent to be heard, to submit information, and to identify witnesses and other evidence. The interviews will be supplemented by the gathering of any physical, documentary, or other evidence, as appropriate and available. The investigation is designed to provide a fair and reliable gathering of the facts. The investigation will be thorough and equitable, and all persons will be treated with appropriate sensitivity and respect. The investigation will be conducted in a manner that is respectful of individual privacy concerns.

UT Martin's investigator will make written findings and recommendations (including a statement outlining the basis for them) and transmit the findings and recommendations to the appropriate UT Martin administrator. The report will contain a conclusion, based on a Preponderance of the Evidence standard, concerning whether the Respondent violated this policy. The findings and recommendations will be made available simultaneously to the Complainant and the Respondent. The appropriate administrator will review the investigator's findings and recommendations, make a determination whether this policy was violated (and, if so, what disciplinary and/or other corrective actions should be imposed), and will provide simultaneous written notification of the determination to the Complainant and the Respondent.

UT Martin strives to complete the procedures in this Section 5.3.2 within 60 calendar days of the receipt of a report of Prohibited Conduct.

5.3.3 Appeals

A Respondent who is an employee who is not satisfied with the administrator's determination may appeal in accordance with applicable University policies and procedures, including, without limitation, **University of Tennessee System Human Resources Policy 0525** (Disciplinary Action), **University of Tennessee System Human Resources Policy 0640** (Grievances), and the **UT Martin Faculty Handbook** (http://www.utm.edu/departments/acadaff/_docs/fachbook.pdf). A Complainant must be provided the same opportunity as a Respondent to submit information to the decision maker on appeal.

Within fifteen (15) calendar days after receipt of the administrator's determination, a Complainant who is not satisfied with the determination may appeal in writing to the next higher administrative level. UT Martin will inform the Complainant in writing of the person to whom an appeal may be made. Any administrator who receives a Complainant's appeal must make a decision on the appeal within ten (10) calendar days of the administrator's receipt of the appeal.

Decision makers concerning appeals must be impartial and free of any conflict of interest.

Decisions on appeals must be provided in writing simultaneously to the Complainant and Respondent.

5.3.4 Disciplinary or Other Corrective Actions

Disciplinary actions with respect to an employee found to have committed Prohibited Conduct can include, without limitation: termination, demotion, suspension without pay, and/or oral or written corrective action. When the person found to have committed Prohibited Conduct is neither a student nor an employee, UT Martin's corrective action(s) will vary based on UT Martin's ability to implement corrective action(s).

5.4 PROCEDURE FOR INVESTIGATING AND RESOLVING A REPORT INVOLVING A RESPONDENT WHO IS A UT MARTIN STUDENT

This Section 5.4 describes procedures for investigating and resolving reports of Prohibited Conduct involving a Respondent who is a student.

5.4.1 Meeting (Communication) with the Complainant

After receiving a report of Prohibited Conduct (either directly from a Reporter or indirectly from a Mandatory Reporter), the Title IX Coordinator or the Office of Student Conduct will initiate immediate and appropriate steps by UT Martin to: have an appropriate UT Martin employee offer to meet with, or otherwise communicate with, the Complainant; in cases of Sexual Assault, Relationship Violence, or Stalking, provide a Complainant with a copy of this policy and/or another written publication approved by the Title IX Coordinator to inform the Complainant of the Complainant's rights under this policy (if that has not already been done by a Mandatory Reporter), which will include notification about options for, available assistance in, and how to request changes to academic, living, transportation, and working situations or protective measures; evaluate whether Interim Measures need to be implemented and assist with the implementation of Interim Measures; and, subject to a Complainant's Request for Limited Action (**Section 3.1.5**), initiate the investigation and

resolution procedures outlined in this section if, based on an initial assessment, the alleged conduct meets the definition of Prohibited Conduct and falls within the scope and applicability of this policy (**Section 1.2**). The Title IX Coordinator or the Office of Student Conduct also can assist a Complainant in reporting the incident to law enforcement.

5.4.2 Investigation

Unless the University grants a Complainant's Request for Limited Action (**Section 3.1.5**) and decides not to further investigate a report of Prohibited Conduct, the investigator(s) selected by the University will conduct the investigation in a manner appropriate in light of the circumstances of the case, which will typically include interviews with the Complainant, the Respondent, and any witnesses. As part of the investigation, the University will provide an equal opportunity for the Complainant and the Respondent to be heard, to submit information, and to identify witnesses and other evidence. The interviews will be supplemented by the gathering of any physical, documentary, or other evidence, as appropriate and available. The investigation is designed to provide a fair and reliable gathering of the facts. The investigation will be thorough and equitable, and all persons will be treated with appropriate sensitivity and respect. The investigation will be conducted in a manner that is respectful of individual privacy concerns. Investigations likely will be conducted by the Office of Student Conduct.

The Title IX Coordinator or the Office of Student Conduct will provide simultaneous written notice of the investigative finding and disciplinary penalty/remedy (if any) to the Complainant and the Respondent. UT Martin strives to complete the procedures in this Section 5.4.2 within 60 calendar days of the receipt of a report of Prohibited Conduct.

5.4.3 Resolution

If UT Martin determines after an investigation that a student has engaged in Prohibited Conduct, then UT Martin will take prompt and effective steps reasonably calculated to end the misconduct, prevent the misconduct from recurring, and address its effects. One of those steps likely will involve the Office of Student Conduct charging the Respondent with a violation of the Standards of Conduct and resolving the matter in accordance with **Section 5.2**, this Section 5.4, and UT Martin's student disciplinary regulations and procedures described in Chapter 1720-05-01-.04 (<http://share.tn.gov/sos/rules/1720/1720-05/1720-05-01.20151213.pdf>).

5.4.4 Appeals

5.4.4.1 Appeal by the Complainant of a Decision of the Office of Student Conduct to Not Charge a Respondent with Violating the Standards of Conduct

A Complainant may appeal a decision of the Office of Student Conduct to not charge a Respondent with violating the University's Standards of Conduct to the Vice Chancellor for Student Affairs by filing a written request for appeal within ten (10) calendar days after receipt of the decision of the Office of Student Conduct. The Vice Chancellor for Student Affairs may affirm the decision of the Office of Student Conduct, reverse the decision of the Office of Student Conduct and direct the Office of Student Conduct to charge the Respondent with violating the Standards of Conduct, or remand the matter for additional investigation or consideration. The Vice Chancellor for Student Affairs will issue a decision in writing, sent to the Complainant and the

Respondent simultaneously, within ten (10) calendar days of receipt of the appeal. The decision of the Vice Chancellor for Student Affairs is final.

5.4.4.2 Appeal by the Complainant of a Proposed Disciplinary Penalty

SECTION 6
REQUIREMENTS AND GUIDELINES FOR MANDATORY REPORTERS

6.1 REQUIRED ACTIONS

A Mandatory Reporter who receives information concerning an incident of Prohibited Conduct **must**:¹¹

1. Assist the Complainant with obtaining medical assistance (if needed or requested) or accessing other on- or off-campus resources (if requested);
2. Encourage the Complainant to report the incident to law enforcement and assist the Complainant in contacting law enforcement if requested by the Complainant; and
3. Report the incident to UT Martin:
 - Evaluate whether University Safety Policy 0575 applies because the incident involves suspected child abuse or child sexual abuse (if so, comply with the reporting requirements of that policy); or

In cases involving Sexual Assault, Relationship Violence, or Stalking, the Title IX Coordinator must ensure that a copy of this policy or another written publication approved by the Title IX Coordinator has been provided to the Complainant to inform the Complainant of their rights under this policy.

¹¹ In addition to the responsibilities of a Mandatory Reporter described in this Section 6, the Title IX Coordinator, the Office of Student Conduct, and the Department of Public Safety also are responsible for carrying out responsibilities described in other sections of this policy. The Title IX Coordinator, the Office of Student Conduct, and the Department of Public Safety may develop internal procedures for the purposes of implementing this policy, as long as the procedures do not conflict with this policy.

With the prior approval of the Title IX Coordinator, a University unit may adopt a policy that requires a Mandatory Reporter in the unit to report an incident of Prohibited Conduct to his/her supervisor or other designee within the unit, who, in lieu of the Mandatory Reporter who received notice of the incident, must promptly report the incident to the Title IX Coordinator.

Complainants who are Mandatory Reporters are not required to report or take any other action identified in this section with respect to Prohibited Conduct to which they personally have been subjected.

6.2 RECOMMENDED ACTIONS

Before a person reveals information to the Mandatory Reporter that the person may wish to keep confidential, a Mandatory Reporter should use his/her best efforts to ensure that the person understands:

4. If the person indicates hesitancy to report an incident to UT Martin, inform the person that UT Martin prohibits Retaliation and will not only take steps to prevent Retaliation but also take strong responsive action if Retaliation occurs; and

A Mandatory Reporter who receives information from a Complainant concerning an incident of Prohibited Conduct should:

1. Provide emotional support to the Complainant;
2. Encourage the Complainant to preserve any physical evidence (e.g., if possible, the Complainant should not shower, bathe, douche, change clothes, brush his/her teeth, or comb his/her hair);
3. Inform the Complainant that the Mandatory Reporter will be reporting the incident to the Title IX Coordinator, who will be contacting the Complainant to provide further guidance and assistance; and

D. UT MARTIN DEPARTMENT OF PUBLIC SAFETY

The Department of Public Safety shall provide the Title IX Coordinator with access to its investigation notes and findings as necessary for UT Martin's non-law enforcement investigation, as long as providing the notes and findings would not compromise the Department of Public Safety's law enforcement investigation.

When UT Martin's non-law enforcement investigation of a report of Prohibited Conduct occurs concurrently with a law enforcement investigation of the same incident, the Department of Public Safety shall not cause UT Martin's non-law enforcement investigation to be delayed pending the outcome of the Department of Public Safety's law enforcement investigation, except for the collection of evidence.

- A. **Child abuse or child sexual abuse (Tennessee Code Annotated §§ 37-1-401 et seq.; 37-1-601 et seq.; 37-1-614).** Tennessee law mandates reporting by any person, including a psychiatrist, psychologist, physician, or social worker, who has knowledge of physical or mental harm to a child if: (1) the nature of the harm reasonably indicates it was caused by brutality, abuse, or neglect; or (2) on the basis of available information, the harm reasonably appears to have been caused by brutality, abuse, or neglect. Tennessee law also mandates reporting by any person who knows or has reasonable cause to suspect that a child has been sexually abused, regardless of whether the child has sustained any apparent injury as a result of the abuse. State law requires a report of child abuse or child sexual abuse to be made immediately to one of the following authorities outside UT Martin: (1) 911, in the case of an emergency; (2) the Tennessee Department of Children's Services; (3) the sheriff of the county where the child resides; (4) the chief law enforcement official of the city where the child resides; or (5) a judge having juvenile jurisdiction over the child. The Tennessee mandatory reporting laws apply to all University employees, contractors, and volunteers, even if the child abuse or child sexual abuse does not occur in connection with a University educational program or activity. For purposes of the Tennessee mandatory reporting law, University students who are under the age of eighteen (18) are not excluded from the definition of a child.
- B. **Persons called upon to tender aid to certain victims (Tennessee Code Annotated § 38-1-101).** Tennessee law requires all physicians, surgeons, nurses, pharmacists, or other persons to immediately report an incident in which they were called upon to tender aid to a victim suffering from any wound or other injury inflicted by means of a knife, pistol, gun, or other deadly weapon, or by other means of violence, or suffering from the effects of poison, or suffocation, or where a wound or injury is reasonably believed to have resulted from exposure to a methamphetamine laboratory or a methamphetamine related fire, explosion, or chemical release, or appears to be suffering from or to have been the victim of female genital mutilation in violation of Tennessee Code Annotated § 39-13-110. The report is required to be made to certain law enforcement officials. Generally, such report must state the name, residence, and employer of the victim, if known, the victim's whereabouts at the time the report is made, the place the injury occurred, and the character and extent of the victim's injuries. However, the reporting obligations do not apply if: (1) the victim is at least 18 years of age; (2) the victim objects to the release of any identifying information to law enforcement officials; (3) the victim is a victim of a sexual assault offense or domestic abuse as defined in Tennessee Code Annotated § 36-3-601; and (4) the victim's injuries are not considered by the treating healthcare professional to be life threatening, or the victim is not being treated for injuries inflicted by strangulation, a knife, pistol, gun, or other deadly weapon.
- C. **Subpoenas or court orders – physicians.** A physician can be required to testify concerning confidential information by a subpoena or court order.
- D. **Court orders – Qualified Mental Health Professionals (Tennessee Code Ann. § 33-3-114).** A court can order a Qualified Mental Health Professional to disclose confidential information if, after a hearing, the court determines that disclosure is necessary for the conduct of proceedings before it.

- E. **Duty to warn third parties (Tennessee Code Annotated §§ 33-3-206; 33-3-210).** A Qualified Mental Health Professional (e.g., a licensed psychiatrist or psychologist) is required by state law to take reasonable care to predict, warn of, or take precautions to protect an identified victim from a patient/client's violent behavior if: (1) a patient/client has communicated to a Qualified Mental Health Professional an actual threat of bodily harm against a clearly identified victim; and (2) the Qualified Mental Health Professional, using the reasonable skill, knowledge, and care ordinarily possessed and exercised by the professional's specialty under similar circumstances, has determined that the patient/client has the apparent ability to commit such an act and is likely to carry out the threat unless prevented from doing so. If the threat communicated by a patient/client to a Qualified Mental Health Professional is an actual threat of serious bodily harm or death against a reasonably identifiable victim or victims, then the Qualified Mental Health Professional is required to report the patient/client to local law enforcement.
- F. **Sexually transmitted diseases (Tennessee Code Annotated §§ 68-10-102; 68-10-115).**
- A person who has a reasonable belief that a person has knowingly exposed another to HIV may inform the potential victim without incurring any liability. Please note that Tennessee law is not clear whether this obligation applies to a physician or a Qualified Mental Health Professional.
 - If any attending physician or other person knows or has good reason to suspect that a person having a STD is behaving so as to expose other persons to infection, or is about to so behave, the attending physician or other person must notify the municipal or county health officer of the name and address of the diseased person and the essential facts in the case. Please note that Tennessee law is not clear whether this obligation applies to a Qualified Mental Health Professional.
- G. **Tennessee Adult Protection Act (protection of the elderly and other vulnerable persons) (Tennessee Code Annotated § 71-6-101 et seq.).** Generally, Tennessee law requires any person who has reasonable cause to suspect that a person age 60 or older, or a person with certain physical and mental disabilities, has been subject abuse, neglect, or exploitation to report the situation to the Tennessee Department of Human Services, which will notify the appropriate law enforcement agency.

APPENDIX F: CONSENT UNDER TENNESSEE CRIMINAL LAW

In Tennessee, with respect to most criminal offenses relating to sexual activity, sexual activity is criminal if: (1) the activity was accomplished without the consent of the victim and the defendant knows or has reason to know at the time of the activity that the victim did not consent; (2) force or coercion is used to accomplish the activity; (3) the defendant knows or has reason to know that the victim is mentally defective, mentally incapacitated, or physically helpless; or (4) the sexual activity is accomplished by fraud.

“**Consent**” is not explicitly defined in Tennessee statutory law, for purposes of criminal offenses relating to sexual activity.

“**Coercion**” means a threat of kidnapping, extortion, force, or violence to be performed immediately or in the future. (Tennessee Code Annotated § 39-13-501(1))

“Mentally defective” means that a person suffers from a mental disease or defect which renders that person temporarily or permanently incapable of appraising the nature of the person's conduct. (Tennessee Code Annotated § 39-13-501(3))

“Mentally incapacitated” means that a person is rendered temporarily incapable of appraising or controlling the person's conduct due to the influence of a narcotic, anesthetic or other substance administered to that person without the person's consent, or due to any other act committed upon that person without the person's consent. (Tennessee Code Annotated § 39-13-501(4))

“Physically helpless” means that a person is unconscious, asleep or for any other reason physically or verbally unable to communicate unwillingness to do an act. (Tennessee Code Annotated § 39-13-501(5))

With respect to criminal offenses relating to sexual activity with a person under the age of eighteen (18) years of age, consent is irrelevant because Tennessee law deems a minor as incapable of consenting to sexual activity. However, Tennessee law provides a close-in-age exception to that general rule that allows minors who are at least the age of thirteen (13) and less than the age of eighteen (18) to give consent to sexual acts with another person who is less than four (4) years older than the minor.
