

# World Soaring Championships 1983

STATE LINE AMATEUR RADIO CLUB  
HOBBS, NEW MEXICO

Hobbs, New Mexico is only the second American community in the history of contemporary soaring selected as site for the 1983 World Soaring Championships. Hobbs has sponsored seven national soaring events in the last 12 years. This year more than 20 different countries and close to 100 competitors are participating.

"Soaring is truly an international sport without borders."

The Hobbs Soaring Society, Special Events Station W5SZS and the State Line Amateur Radio Club are proud to present this AWARD.
