Mission
The Department of Music provides training in music to university students, maintains and advances a rich music tradition and practice on campus, and serves as a model for and resource to music professionals and organizations throughout West Tennessee. High standards, quality instruction, relevant curricula, and a faculty and staff who are concerned for and involved with the students mark the department's endeavors.

Goals
1. Provide for the educational needs of music majors and minors and the general university student.
2. Maintain a supportive, concerned relationship with our students.
3. Provide outreach through performance, consulting, adjudication and advocacy to the campus community, our region, and, when feasible, beyond.
4. Serve as a model for and resource to music professionals and organizations in our region.
5. Establish and maintain a visible presence at professional meetings, conferences, and competitions, and fill leadership roles in professional organizations.
6. Attract and retain quality music students.
7. Review our policies, procedures, programs, activities, and curricula on a regular basis in order to maintain high standards and meet the changing needs of our students.
8. Make our community and region aware of our programs, activities, and curricula.
9. Continually define what constitutes excellence for our individual positions, and strive to improve to that level.

Expected Outcomes
Music majors will be able to:
1. Demonstrate a conceptual understanding of musical components and processes.
2. Create, interpret, compose, present, analyze, and evaluate music.
3. Understand various musical cultures and historical periods.
4. Integrate musical knowledge and skills.
5. Demonstrate the capability for independent work in music professions.

**Accreditation**

UT Martin is a full member of the National Association of Schools of Music (NASM), and all programs in music are nationally accredited by that organization. The degree program in Music Education is also accredited by the National Council on the Accreditation of Teacher Education (NCATE).

**Audition to the Program**

Admission to the Bachelor of Music degree and the Bachelor of Arts in Music degree is granted only after the completion of a successful performance audition. Contact the department chair for information about auditions to the program. Students seeking a minor in music do not need to audition, but must receive permission from the department chair before they may take private lessons leading to a minor.

**Facilities**

The Fine Arts Building, opened in 1970, is a modern and attractive facility which provides teaching and rehearsal spaces for the theatre and music programs. The music section contains fifteen teaching studios, twenty-one practice rooms, an electronic piano laboratory, a choral/recital hall, an instrumental rehearsal hall, and a music technology/graphic design studio. The 500-seat Harriet Fulton Performing Arts Theatre is the setting for concerts, recitals, theatrical productions, and dance performances as well as events in the visiting artists series.

**Scholarships**

Music scholarships are available for students majoring in music and are awarded by audition on the basis of promising performance and academic success. These generally range from $200 to $1,500 per year and are renewable through the fourth year of study providing that renewal criteria are met. The Harriet Fulton Scholarship is awarded annually to an outstanding music major.

Band scholarships are available to both music majors and majors in other disciplines who participate in the band program. These scholarships range from $500 to $2,000 per year and are renewable. New Pacer Singers scholarships are available to both music and non-music majors by audition. They are approximately $350 per year and are renewable.

Information and application materials may be obtained by contacting the Chair of the Department of Music, the Director of Bands, or the Director of Choral Activities.

**Student Organizations**

Participation in performance organizations is open to all students regardless of academic major. Music ensembles include the University Singers, New Pacer Singers, Lyric Opera Theatre, Piano Ensemble, Skyhawk Marching Band, Symphonic Band, Pep Bands, and Concert Jazz Band as well as Woodwind, Brass, and Percussion Ensembles.

The department houses two chapters of national professional music fraternities: Phi Mu Alpha Sinfonia (men) and Sigma Alpha Iota (women). These organizations emphasize professionalism, creativity, and service in music. A student chapter of the Music Educators National Conference is active in preparing students to enter the teaching profession in music by participation in state, regional, and national conferences.
