</table>

1Based on annual high school graduates
2Caution should be used in making comparisons between state and national norms. State norms may differ from national norms for non-education reasons such as representativeness of the ACT-tested population and the demographic make-up of a state.
3Fall 2018, UT Martin ACT Scores are now the calculated ACT Composite Superscore.
4Fall 2018, ACT stopped providing State and National Norms by gender.
