Questions about the updates to the Tennessee Optional Retirement Program and The University of Tennessee 403(b) Plan? We can help.

Important updates to the plans

Beginning in August 2022, the State of Tennessee Optional Retirement Program (ORP) and The University of Tennessee (UT) 403(b) Plan will consolidate to two active providers—TIAA and Voya—that will provide services for both plans.

Learn about actions you may need to take if you hold balances with AIG Retirement Services or are participating in the plans with Ameriprise and/or Fidelity. A TIAA financial consultant will review the upcoming changes and highlight actions you may want to take. During the event, we will cover questions like:

1. How do I change my contributions to TIAA and/or Voya?
2. How do I move my ORP and/or UT 403(b) Plan balances to TIAA and/or Voya?
3. What happens if I don’t take action?
