## Is 4 hours too long?

### A student cannot interfere with your ability to do your job.

We sometimes get asked about the student who occupies too much time...

Page 10 Student Handbook (<http://www.utm.edu/studenthandbook/2014-15%20Student%20Handbook%20Updated%20v2012315.pdf>)

*6. Harassment, which is defined as unwelcome conduct that is so severe or pervasive, and objectively offensive, that it substantially interferes with the ability of a person to work, learn, live, or participate in or benefit from the services, activities, or privileges provided by the University. In no event shall this rule be construed to discipline a student for speech protected by the First Amendment to the United States Constitution (e.g., mere insulting or offensive speech).*

### SOAR is upon us

We will be here in full force during SOAR. If you have a student who needs to discuss accommodations, please make sure they stop by the SSC in Clement Hall to register with us. We will have people here to answer their questions and help them establish what accommodations they may need for the upcoming semester.

### Supplemental Instruction and Math & Science Tutoring

Our services are in full swing! Make sure your students know that they can still attend SI sessions and come to the Clement Hall Math and Science tutoring. Details about the hours are on the SSC website.

Retention... it is everyone's job!

## What Can I Do With This Major?

### Can I make lots of money with this degree?

The Student Success Center has purchased a subscription to *What can I do with this major?* It can be found on the SSC website under Career Counseling.

([http://www.utm.edu/departments/success/career\\_counseling.php](http://www.utm.edu/departments/success/career_counseling.php))

On this same page you will find links to O\*Net Online, Occupational Outlook Handbook, Vault.com and Career One Stop. These are great links to use with your students for career exploration.

The earlier we can get a student to identify with a career and the appropriate academic program the more successful they will be. Meet with your students. If they are unsure of what they want to do, sent them to us.

Remember, we have career counselors who can meet with your students to help them find a career path.
