What's New...

Spring 2015 we began offering GENS 134. This is a mandatory class for first-time, fulltime freshman who went on "Academically Eligible-warning (probation) following their first semester. This class is a prescriptive course dedicated to helping the student gain time management skills, note taking skills, study skills, etc. This class is described in the catalog under the academic standings, but this is the first time we have offered it.

In addition, we started a new program where we are reaching out to ALL Freshman. Best practices show that freshman respond well to "contacts" from both their faculty academic advisor and counselors from the Student Success Center. All freshman who entered UT Martin Fall 2014 have been divided among the counselors so that they can contact the students and offer support and services for academic success and persistence.

Since UT Martin does not formally use *Professional Advisors* the staff in the Student Success Center will complement the efforts of the faculty. The Student Success staff will work with the faculty in all departments to ensure that the students' needs are met.

Conditional Admissions

Any student who is admitted to UT Martin as a Conditional Admit will have a counselor in the Student Success Center (SSC). It is our charge to provide these students with direct contacts to provide them with the best tools for success. Because these students do not meet the regular admissions requirements, they will be advised by the SSC counselors and most of the time these students will not fit into the 4-year plan for graduation. Typically the SSC staff will recommend a slower pace for coursework attempted until after the freshman year, Conditional Admit students stay with an SSC counselor for one year.

Use our services

The Student Success Center is there for the faculty and the students. It is important for the faculty to know what services are offered in the SSC and to refer students to us who might benefit from the expertise of our staff.

Meet the Success Counseling Staff

We COMPLEMENT what the faculty do!

The staff in the Student Success Center are highly qualified individuals who are dedicated to serving the students of UT Martin.

We:

- ✓ Offer encouragement and support to all students
- ✓ Offer career counseling and exploration
- ✓ Provide success strategies for academic persistence
- ✓ Teach several classes for academic success strategies
- ✓ Teach several classes for career exploration
- ✓ And much more...
