General Studies Classes
GENS 101 - General Studies is taught during Fall semester by SSC staff and faculty mentors for incoming freshmen in conjunction with FYI.
GENS 134 – Success Strategies is a mandatory class for all students who go on Academic Warning for the first time.
GENS 201 - Career Exploration is offered for students who are being counseled through the Student Success Center. Students who are unsure of which academic program they are interested in will benefit from this class. Enrollment is approved by the instructor.
GENS 211 - College Study Skills is offered for upperclassmen who go on Academic Warning or who are struggling with academic success.

Mandatory Placement
Placement in one or more of the following courses is mandatory for students with ACT composite scores less than 21 whose placement results show they need to enroll in English 100, Mathematics 100 and/or Reading 100. Students who do not have ACT subscores need to consult their academic advisor. Students must complete all mandatory placement courses during the first two years of academic study or 60 semester hours, whichever comes first. See the University catalog for more information.

Transfer Student Support
- Transfer Student Office Resources: Visit www.utm.edu/transfer
The Office of Enrollment Services and Student Engagement, in conjunction with the UT Martin Student Success Center (SSC), is committed to providing outstanding student services for the University of Tennessee at Martin. The SSC staff are well-equipped to help students achieve their academic goals. The SSC staff contact begins during Summer Orientation And Registration (SOAR) and continues during First-Year Initiative and throughout the student’s college career. Once in classes, students will find a wide range of resources available through the Student Success Center.

Advising for:
- Academically eligible-warning students
- Conditional Admission students
- Freshman Success
- Mandatory placement students
- Transfer students

Academically Eligible-Warning
Students who have an overall GPA that drops below a 2.0 will be placed on Warning. A student will remain on Warning until the overall GPA reaches 2.0 or higher. Each semester the GPA for the classes taken must be a 2.0 or higher. This will result in the overall GPA raising over each semester. For more information, visit www.utm.edu/probation

To help the student on Warning, the student will be placed into a GENS 134 Success Strategies class. This 1-credit hour class is mandatory and will either be taken in a regular class setting or in a workshop format. The Learning to Establish Academic Priorities (LEAP) workshop assists students with study skills, time management, access to free campus resources such as tutoring and supplemental instruction, GPA calculation, and much more.

Freshman Success Counseling
The Student Success Center has developed a Success Counseling Program for incoming freshman who are on the main campus. This program promotes academic literacy, advocacy and personal development leading to improvements in the collegiate career of freshman. Our Success Counselors work with the departmental academic advisors to empower students to embrace their full potential and obtain their degree.

Each freshman is assigned to their Success Counselor based on their chosen major, and will meet their counselor during SOAR and/or Welcome Weekend for the first time. The student will then meet with their Success Counselor at least two times during the semester, once at the beginning of the semester and again after mid-term grades are posted. These meetings will allow the student and counselor to work together to solve any issues the student may be having, to improve utilization of campus resources and to help with the student’s transition from high school to a college level curriculum.
