PARTICIPATION AND COMMITMENT

In order to accomplish the WestStar mission, the full commitment and participation of each class member is necessary. Tuition is \$750 and is due prior to the opening retreat. This fee includes meals during each session, breaks, program materials and expenses. Participants are responsible for their own lodging and transportation. Two-thirds of the actual participant's cost is underwritten by program sponsors.

Therefore, full participation in the program is an expectation. Although emergencies arise, WestStar Board policy specifies that any absence from any session or any part of a session be reviewed by the Trustees to determine if continued successful participation is still feasible.

The sessions usually begin at 10:00 a.m. on Thursday and end around 2:00 p.m. on Friday with the exception of Nashville which is on Tuesday/Wednesday and Paris & Gibson/Crockett which is Wednesday/Thursday. The Nashville session begins at 9:30 on Tuesday and ends at 2 on Wednesday. Transportation is provided to Nashville.
