

## **UT Martin Environmental Health & Safety – Safety Procedure**

### **ANNUAL SAFETY AND HEALTH AUDIT**

EFFECTIVE DATE: 05/01/93, REVISED: 09/14

An annual audit of The University of Tennessee at Martin campus will be conducted by UT System personnel or a Safety Consultant for compliance and quality of performance with the health and safety procedures. A written audit report will address any findings and needed abatements. The Safety Officer will respond to the report and direct the violation(s) to the appropriate department for abatement.
