MESSY MAYHEM SCIENCE LAB - SCIENCE INVESTIGATION

Mixing, separating, dissolving, melting, and more! Does this sound like fun to you? It's time to get creative and embrace the mess! Put on your lab coat and come to Messy Mayhem Science Lab! Mix a few everyday ingredients to create surprising solutions and mad mixtures! Please bring a large shirt to wear as a science lab coat to protect your clothing.

KIDS FIELD DAY

Get ready to have some fun with familiar games such as Duck, Duck, Goose, our own version of Simon Says in Sports, and Capture the Flag along with school sports such as soccer and basketball to name a few! Don't miss out on these fun and active outdoor games!

SLIME-TASTIC CREATIONS

Join us for a week filled with messy fun! In this class, we will learn the science behind making your own slime. You will even get a recipe book to make the same slime at home! It's going to be a slime-tastic week!

CANDY CRAFTERS

Calling all candy lovers!! Join us for a fun-filled week of learning how to make your own candy including Lego Gummies, Pop-It Chocolate, Rainbow Suckers, and even Cotton Candy! We can't wait to see you in the Candy Factory!
